

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-80077; File No. SR-NYSEMKT-2016-63]

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Designation of Longer Period for Commission Action on Proceedings To Determine Whether To Approve or Disapprove a Proposed Rule Change, as Modified by Amendment Nos. 1-4, To Amend the Co-location Services Offered by the Exchange To Add Certain Access and Connectivity Fees

February 22, 2017.

On August 16, 2016, NYSE MKT LLC (the “Exchange” or “NYSE MKT”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b-4 thereunder, ² a proposed rule change to (1) provide additional information regarding access to various NYSE trading and execution services and establish fees for connectivity to certain NYSE market data feeds; and (2) provide and establish fees for connectivity to data feeds from third party markets and other content service providers; access to the trading and execution services of Third Party markets and other content service providers; connectivity to Depository Trust & Clearing Corporation services; connectivity to third party testing and certification feeds; and the use of virtual control circuits by Users in the Data Center.

The Commission published the proposed rule change for comment in the **Federal Register** on August 26, 2016.³ The Commission received no comments in response to the proposed rule change.⁴ On October 4, 2016, the Commission extended the time period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to approve or disapprove the proposed rule change to November 24, 2016.⁵

On November 2, 2016, the Exchange filed Amendment No. 1 to the proposed rule change.⁶ On November 29, 2016, the Commission instituted proceedings to determine whether to approve or disapprove the proposed rule change, as modified by Amendment No. 1.⁷ Following the Order Instituting Proceedings, the Commission received several additional comment letters regarding the proposed rule change.⁸

On December 9, 2016, the Exchange filed Amendment No. 2 to the proposed rule change and on December 13, 2016 also filed Amendment No. 3 to the proposed rule change.⁹ Amendment Nos. 2 and 3, which, together supersede and replace the proposed rule change, as modified by Amendment No. 1, in its entirety, were published for comment in the **Federal Register** on December 29, 2016.¹⁰ On January 17, 2017, the Exchange responded to the comment letters submitted after the OIP and prior to January 17, 2017.¹¹ On February 7,

2017, the Exchange filed Amendment No. 4 to the proposed rule change.¹² On February 13, 2017, the Exchange responded to a comment letter submitted after January 17, 2017.¹³

Section 19(b)(2) of the Act ¹⁴ provides that, after initiating proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of the filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for notice and comment in the **Federal Register** on August 26, 2016.¹⁵ February 22, 2017 is 180 days from that date, and April 23, 2017 is an additional 60 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposed rule change, as modified by Amendment Nos. 1-4, the issues raised in the comment letters that have been submitted in connection therewith, and the Exchange’s response to the comments.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,¹⁶ designates April 23, 2017 as the date by which the Commission should either approve or disapprove the proposed rule change, as modified by Amendments Nos. 1-4.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁷

Eduardo A. Aleman,
Assistant Secretary.
