III. Public Comments

Requirements for Submissions. You must submit written comments submitted in response to this notice electronically by midnight, Wednesday, March 22, 2017. All submissions must be made in English and submitted electronically via <http://www.regulations.gov> using docket number USTR–2016–0009. USTR will not accept hand-delivered submissions.

All submissions for the GSP Annual Review must conform to the GSP regulations set forth at 15 CFR part 2007, except as modified below. These regulations are available on the USTR Web site at <https://ustr.gov/issue-areas/trade-development/preference-programs/generalized-system-preference-gsp/gsp-program-inf>. We strongly advise any person or party making a submission to review the GSP regulations as well as the GSP Guidebook, which is available at the same link.

To make a submission using <http://www.regulations.gov>, enter docket number USTR–2016–0009 in the “Search for” field on the home page and click “Search.” The site will provide a search-results page listing all documents associated with this docket. Find a reference to this notice by selecting “Notice” under “Document Type” in the “Filter Results by” section on the left side of the screen and click on the link entitled “Comment Now.” The <http://www.regulations.gov> Web site offers the option of providing comments by filling in a “Type Comment” field or by attaching a document using the “Upload file(s)” field. We strongly prefer that you provide submissions in an attached document and, in such cases, that parties note “See attached” in the “Type Comment” field on the online submission form.

At the beginning of the submission, or on the first page (if an attachment), please note that the submission is in response to this **Federal Register** notice and indicate the specific product(s) (including the eight-digit HTSUS subheading) that is the subject of the comment and on which of the relevant lists described above, (e.g., List I) it appears. Submissions should not exceed 30 single-spaced, standard letter-size pages in 12-point type, including attachments. Any data attachments to the submission should be included in the same file as the submission itself, and not as separate files.

Each submitter will receive a submission tracking number upon completion of the submissions procedure at <http://www.regulations.gov>. The tracking number, which you should keep, is your confirmation that the submission was received into <http://www.regulations.gov>. USTR is not responsible for any delays in a submission due to technical difficulties, nor is it able to provide any technical assistance for the <http://www.regulations.gov> Web site. Documents not submitted in accordance with these instructions may not be considered in this review. If an interested party is unable to provide submissions as requested, please contact the GSP program at USTR to arrange for an alternative method of transmission.

Business Confidential Petitions. An interested party requesting that information contained in a submission be treated as business confidential information must certify that the information is business confidential and would not customarily be released to the public by the submitter. You must clearly designate confidential business information by marking the submission “BUSINESS CONFIDENTIAL” at the top and bottom of the cover page and on each succeeding page, and indicating via brackets, the specific information that is confidential. Additionally, “Business Confidential” must be included in the “Type Comment” field. For any submission containing business confidential information, you separately must submit a non-confidential version (*i.e.*, not as part of the same submission with the confidential version), indicating where confidential information has been redacted. We will place the non-confidential version in the docket and it will be open to public inspection.

Public Viewing of Review Submissions. Submissions in response to this notice, except for information granted “business confidential” status under 15 CFR part 2003.6, will be

available for public viewing pursuant to 15 CFR part 2007.6 at <http://www.regulations.gov> upon completion of processing, usually within two weeks of the relevant due date or date of the submission. We will make public versions of all documents relating to the 2016/2017 Annual Product Review available for public viewing in docket USTR–2016–0009 at www.regulations.gov upon completion of processing.

In a January 23, 2017 **Federal Register** notice (82 FR 7915), USTR announced the acceptance of CNL waiver petitions for the 2016/2017 GSP Annual Review. Following the release of full 2016 calendar year trade data, the following CNL waiver petitions have been withdrawn from the 2016/2017 GSP Annual Review because the product imported from the subject GSP beneficiary country did not surpass the CNL thresholds for 2016:
