#### Uncovered Innerspring Units From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2015-2016

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** On November 7, 2016, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on uncovered innerspring units (innersprings) from the People's Republic of China (PRC). We gave interested parties an opportunity to comment on the preliminary results, and based upon our analysis of the comments received, our final results remain unchanged from the preliminary results. In these final results, we determine that innersprings are being, or are likely to be, sold in the United States at less than fair value. The period of review (POR) is February 1, 2015, through January 31, 2016. The final weighted-average dumping margin is listed below in the Final Results of Review section of this notice.

**DATES:** Effective March 16, 2017.
