DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA–2016–0293]

Agency Information Collection Activities; Reinstatement of an Information Collection: Financial Responsibility—Motor Carriers, Freight Forwarders, and Brokers

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FMCSA announces its plan to submit the Information Collection Request (ICR) described below to the Office of Management and Budget (OMB) for reinstatement and approval and invites public comment. The FMCSA requests approval to reinstate, without any

changes to the ICR titled, “Financial Responsibility—Motor Carriers, Freight Forwarders, and Brokers,” which is used to provide registered motor carriers, property brokers, and freight forwarders a means of meeting financial responsibility filing requirements. This ICR requires reinstatement because the previous ICR expired on February 28, 2017, before the ICR renewal request could be submitted to OMB for approval. The ICR sets forth the financial responsibility documentation requirements for motor carriers, freight forwarders, and brokers that arise as a result of the Agency’s jurisdictional statutes. The reinstatement of the ICR allows the FMCSA to ensure the public is protected and will be compensated for claims involving bodily injury and property damage, or loss or damage to household goods, respectively, within the limits prescribed by FMCSA. Reinstatement of the ICR enforces the filing of surety bonds or trust fund agreements to help ensure that motor carriers and shippers are protected against non-performance of the broker’s or freight forwarder’s legal obligations. With reinstatement of the ICR, insurance companies can be held liable for any damages that may occur to the public (up to the limits of the policy), and to supersede any exclusions or limitations which may be contained in the insured motor carrier’s or freight forwarder’s policy. Additionally, FMCSA can make a determination regarding whether an entity qualifies for the grant of self-insurance authority.

DATES: Please send your comments by April 24, 2017. OMB must receive your comments by this date in order to act quickly on the ICR.

ADDRESSES: All comments should reference Federal Docket Management System (FDMS) Docket Number FMCSA–2016–0293. Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/Federal Motor Carrier Safety Administration, and sent via electronic mail to oir_submission@omb.eop.gov, or faxed to (202) 395–6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW., Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: Ms. Tura Gatling, Office of Registration and Safety Information, Department of Transportation, Federal Motor Carrier

Safety Administration, 1200 New Jersey Avenue SE., Washington, DC 20590–0001. Telephone Number: (202) 385–2412; Email Address: tura.gatling@dot.gov. Office hours are from 8:00 a.m. to 5:00 p.m., E.T., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION: The Secretary of Transportation (Secretary) is authorized to register for-hire motor carriers of property and passengers under the provisions of 49 U.S.C. 13902, surface freight forwarders under the provisions of 49 U.S.C. 13903, and property brokers under the provisions of 49 U.S.C. 13904. These persons may conduct transportation services only if they are registered pursuant to 49 U.S.C. 13901. The Secretary’s authority to register these entities has been delegated to FMCSA. The registration, known as operating authority registration, remains valid only as long as these transportation entities maintain, on file with the FMCSA, evidence of the required levels of financial responsibility pursuant to 49 U.S.C. 13906. FMCSA regulations governing the financial responsibility requirements for these entities are found at 49 CFR part 387. The information collected from these forms are summarized and displayed in the Licensing and Information system.
