

Annual Performance Report in compliance with Higher Education Act of 1965, as amended, Title IV, Sec. 418A; 20 U.S.C. 1070d-2 (special programs for students whose families are engaged in migrant and seasonal farm work), the Government Performance Results Act (GPRA) of 1993, Section 4 (1115), and the Education Department General Administrative Regulations (EDGAR), 34 CFR 75.253. EDGAR states that recipients of multi-year discretionary grants must submit an Annual Performance Report demonstrating that substantial progress has been made towards meeting the approved objectives of the project. In addition, discretionary grantees are required to report on their progress toward meeting the performance measures established for the Department of Education grant program. The Office of Migrant Education requests an extension without change of a currently approved collection to continue the use of a customized Annual Performance Report that goes beyond the Department of Education generic form number 524B Annual Performance Report to facilitate the collection of more standardized and comprehensive data to inform GPRA, to improve the overall quality of data collected, and to increase the quality of data that can be used to inform policy decisions.

The proposed changes to the 2017 HEP APR are changes to the HEP Instructions Form and Performance Report Data Form and OME made minor editorial language and formatting changes. OME aligned the directions to the performance report data form, and required grantees to disaggregate HSE attainers and HSE withdrawals into New and Returning participants.
