Overview of This Information Collection

1. *Type of Information Collection:* Extension of a currently approved collection.

2. *The Title of the Form/Collection:* Drug Questionnaire.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The form number is DEA-341. The applicable component within the Department of Justice is the Drug Enforcement Administration.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Affected Public: Individuals.

Others: None.

DEA is requesting an extension of a currently approved collection. This collection requires the drug history of any individual seeking employment with DEA. DEA policy states that a past history of illegal drug use may result in ineligibility for employment. The form asks job applicants specific questions about their personal history, if any, of illegal drug use.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 15,000 respondents will respond taking approximately 5 minutes to complete the questionnaire.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 1,250 hours. It is estimated that respondents will take 5 minutes to complete the questionnaire. The burden hours for collecting respondent data sum to 1,250 hours (15,000 respondents × 5 minutes = 75,000 hours/60 seconds = 1250 hours).
