

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: The College Assistance Migrant Program (CAMP) Annual Performance Report (APR).

OMB Control Number: 1810-0727.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 40.

Total Estimated Number of Annual Burden Hours: 1,600.

Abstract: The College Assistance Migrant Program (CAMP) office staff collects information for the CAMP Annual Performance Report (APR) the data being collected is in compliance with Higher Education Act of 1965, as amended, Title IV, Sec. 418A; 20 U.S.C. 1070d-2 (special programs for students whose families are engaged in migrant and seasonal farm work) (shown in appendix A), the Government Performance Results Act (GPRA) of 1993, Section 4 (1115) and the Education Department General Administrative Regulations (EDGAR), 34 CFR 75.253. EDGAR states that recipients of multi-year discretionary grants must submit an APR demonstrating that substantial progress has been made towards meeting the approved objectives of the project. In

addition, EDGAR requires discretionary grantees to report on their progress toward meeting the performance measures established for the ED grant program. This data collection is a customized APR that goes beyond the generic 524B APR to facilitate the collection of more standardized and comprehensive data to inform GPRA, to improve the overall quality of data collected, and to increase the quality of data that can be used for evaluation and to inform policy decisions.

DEPARTMENT OF ENERGY

Office of Energy Efficiency and Renewable Energy

[Case No. CR-006]

Notice of Petition for Waiver of AHT Incorporated From the Department of Energy Commercial Refrigeration Equipment Test Procedures and Partial Grant of Interim Waiver

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy.

ACTION: Notice of petition for waiver and partial grant of interim waiver, and request for public comment.

SUMMARY: This notice announces receipt of and publishes a petition for waiver from AHT Cooling Systems GmbH and AHT Cooling Systems USA Inc. (AHT) seeking an exemption from specified portions of the U.S. Department of Energy (DOE) test procedure for determining the energy consumption of multi-mode commercial refrigeration equipment. ASHRAE Standard 72-2005, incorporated by reference in Appendix B, does not provide for defrost testing with built-in cooling coils into the body of AHT's unique multi-mode commercial refrigeration equipment basic models. Consequently, AHT submitted to DOE an alternate test procedure that allows for testing of six specified basic models with a different defrost cycle. This notice also announces that DOE has granted AHT an interim waiver from the DOE commercial refrigeration equipment test procedures for the specified commercial refrigeration equipment basic models, subject to use of the alternative test procedure as set forth in this notice. DOE solicits comments, data, and information concerning AHT's petition and its suggested alternate test procedure.

DATES: DOE will accept comments, data, and information with regard to the AHT petition until April 27, 2017.

ADDRESSES: You may submit comments, identified by Case Number CR-006, by any of the following methods:
