

Nature and Extent of Confidentiality: In general there is no need for confidentiality. On a case-by-case basis, the Commission may be required to withhold from disclosure certain information about the location, character, or ownership of a historic property, including traditional religious sites.

Needs and Uses: The Commission will submit this information collection to the OMB after this 60-day comment period as an extension (no change in reporting and/or third-party disclosure requirements) to obtain the full three-year clearance from them.

Licensees use FCC Form 606 to associate their FCC Registration Number (FRN) with their Wireless Telecommunications Bureau and Public Safety Homeland Security Bureau call signs and antenna structure registration

numbers. The form must be submitted before filing any subsequent applications associated with the existing license or antenna structure registration that is not associated with an FRN.

The information collected in the FCC Form 606 is used to populate the Universal Licensing System (ULS) with the FRNs of licensees and antenna structure registration owners who interact with ULS.
