

record, to ensure wide distribution of this notice.

It is important that reviewers provide their comments at such times and in such manner that they are useful to the agency's preparation of the environmental impact statement. Therefore, comments should be provided prior to the close of the comment period and should clearly articulate the reviewer's concerns and contentions. Per 36 CFR 218, only those who provide specific written comments regarding the proposed project or activity will be eligible to file an objection. Comments received in response to this solicitation, including names and addresses of those who comment, will be part of the public record for this proposed action. Comments submitted anonymously will be accepted and considered, however, anonymous comments will not provide the Agency with the ability to provide the respondent with subsequent environmental documents.

An additional opportunity for public participation will occur during the public comment period on the draft environmental impact statement, which will be initiated by the publication of a notice of availability in the **Federal Register**.

Dated: March 22, 2017.
