

real-time trade information disseminated publically.

In addition, the Exchange believes the proposed rule is designed to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities. The proposed Rule states that TPHs remain responsible for reporting accurate trade information and that any actions taken by the Exchange pursuant to Rule 6.51.04 do not constitute a determination that an order was otherwise systematized or reported in accordance with the Rules. The proposed rule is not intended to be a form of regulatory relief and specifically notes it will not define or limit the Exchange's ability to sanction TPHs for violations of Exchange rules. The Exchange itself does not set any of the default values outlined in the proposed rule and the entry of order information remains the responsibility of TPHs. The Exchange monitors and surveils TPHs to ensure compliance with Exchange Rules, including Rule 6.51.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change will not have any impact on intramarket competition as it applies equally to all TPH who are currently subject to requirements of Rule 6.51. Additionally, the proposed rule change outlines a voluntary method of handling orders and will not subject any individual TPH to additional burden.

Furthermore, the proposed rule is meant to ensure Exchange TPH's are able to handle and process orders in the same manner as members or participants of the NYSE Amex. As such, the proposed rule change will promote intermarket competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

A. Significantly affect the protection of investors or the public interest;

B. impose any significant burden on competition; and

C. become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)¹⁰ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-80338]

Order Granting Application by MIAX PEARL, LLC for an Exemption Pursuant to Section 36(a) of the Exchange Act From the Rule Filing Requirements of Section 19(b) of the Exchange Act With Respect to Certain Rules Incorporated by Reference

March 29, 2017.

MIAX PEARL, LLC ("MIAX PEARL" or "Exchange") has filed with the Securities and Exchange Commission ("Commission") an application for an exemption under Section 36(a)(1) of the Securities Exchange Act of 1934 ("Exchange Act")¹ from the rule filing requirements of Section 19(b) of the Exchange Act² with respect to certain rules of the Miami International Securities Exchange, LLC ("MIAX Options")³ that the Exchange seeks to incorporate by reference. Section 36 of the Exchange Act authorizes the Commission to conditionally or unconditionally exempt any person,

¹¹ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78mm(a)(1).

² 15 U.S.C. 78s(b).

³ The Commission notes that MIAX PEARL referred to the Miami International Securities Exchange, LLC as "MIAX Options" in its application for an exemption under Section 36(a)(1) of the Exchange Act. See Letter from Deborah L. Carroll, Associate General Counsel, MIAX PEARL, to Brent J. Fields, Secretary, Commission, dated February 17, 2017 ("Exemptive Request"). References herein to the rules of MIAX Options are to the rules of the Miami International Securities Exchange, LLC.

security, or transaction, or any class thereof, from any provision of the Exchange Act or rule thereunder, if necessary or appropriate in the public interest and consistent with the protection of investors.

Both MIA X PEARL and MIA X Options are Participants in the National Market System Plan Governing the Consolidated Audit Trail (“CAT NMS Plan” or “Plan”).⁴ Each Participant in the CAT NMS Plan is required to enforce compliance by its members with the provisions of the Plan by adopting a “Compliance Rule” applicable to its members.⁵ On January 30, 2017, MIA X Options filed a proposed rule change with the Commission to adopt new Chapter XVII comprising MIA X Options Rules 1701–1712 (“MIA X Options Compliance Rule”).⁶ On February 1, 2017, MIA X PEARL filed a proposed rule change with the Commission to incorporate by reference, in new Chapter XVII of the MIA X PEARL rulebook, the rules contained in MIA X Options Chapter XVII.⁷

MIA X PEARL has requested, pursuant to Rule 0–12 under the Exchange Act,⁸ that the Commission grant the Exchange an exemption from the rule filing requirements of Section 19(b) of the Exchange Act for changes to MIA X PEARL Chapter XVII that are effected solely by virtue of a change to Chapter XVII of the MIA X Options rules. Specifically, MIA X PEARL requests that it be permitted to incorporate by reference changes made to each MIA X Options Compliance Rule that is cross-referenced in the MIA X PEARL Chapter XVII rules,⁹ without the need for the Exchange to file separately the same proposed rule changes pursuant to Section 19(b) of the Exchange Act.¹⁰ By virtue of these incorporations by reference, MIA X PEARL members will comply with the Compliance Rule by

complying with the MIA X Options rules referenced in the MIA X PEARL Chapter XVII rules.¹¹ MIA X PEARL does not intend to incorporate by reference any trading rules. The Exchange states that in each instance, the Exchange proposes to incorporate by reference categories of rules (rather than individual rules within a category) that are regulatory rules. MIA X PEARL will, as a condition of this exemption, provide written notice to its members whenever MIA X Options proposes a change to Chapter XVII of its rules.¹² Such notice will alert MIA X PEARL members to the proposed rule change and give them an opportunity to comment on the proposal. MIA X PEARL states that it will also inform members in writing when the Commission approves any such proposed changes.¹³

The Exchange believes this exemption is appropriate in the public interest and consistent with the protection of investors because it will promote more efficient use of the Exchange’s and the Commission’s resources by avoiding duplicative rule filings based on simultaneous changes to identical rules sought by more than one self-regulatory organization (“SRO”),¹⁴ and because it will result in the Exchange’s rules being consistent with the relevant cross-referenced MIA X Options rules at all times, thus ensuring identical regulation of joint members of MIA X PEARL and MIA X Options with respect to the incorporated rules.¹⁵ The Exchange believes that, without such an exemption, joint members could be subject to two different standards.¹⁶

The Commission has issued exemptions similar to the Exchange’s request.¹⁷ In granting one such

exemption in 2010, the Commission repeated a prior, 2004 Commission statement that it would consider similar future exemption requests from other SROs, provided that:

- An SRO wishing to incorporate rules of another SRO by reference has submitted a written request for an order exempting it from the requirement in Section 19(b) of the Exchange Act to file proposed rule changes relating to the rules incorporated by reference, has identified the applicable originating SRO(s), together with the rules it wants to incorporate by reference, and otherwise has complied with the procedural requirements set forth in the Commission’s release governing procedures for requesting exemptive orders pursuant to Rule 0–12 under the Exchange Act;¹⁸

- The incorporating SRO has requested incorporation of categories of rules (rather than individual rules within a category) that are not trading rules (*e.g.*, the SRO has requested incorporation of rules such as margin, suitability, or arbitration); and
- The incorporating SRO has reasonable procedures in place to provide written notice to its members each time a change is proposed to the incorporated rules of another SRO.¹⁹

The Commission believes that the Exchange has satisfied each of these conditions. The Commission also believes that granting the Exchange an exemption from the rule filing requirements under Section 19(b) of the Exchange Act will promote efficient use of Commission and Exchange resources by avoiding duplicative rule filings based on simultaneous changes to identical rule text sought by more than one SRO.²⁰ The Commission therefore finds it appropriate in the public interest and consistent with the protection of investors to exempt the Exchange from the rule filing requirements under Section 19(b) of the

Accordingly, *it is ordered*, pursuant to Section 36 of the Exchange Act,²¹ that the Exchange is exempt from the rule filing requirements of Section 19(b) of the Exchange Act solely with respect to changes to the rules identified in its request that incorporate by reference certain MIAX Options rules that are the result of changes to such MIAX Options' rules, provided that the Exchange promptly provides written notice to its members whenever MIAX Options proposes to change a rule that the Exchange has incorporated by reference.
