Paperwork Reduction Act of 1995 (PRA95). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers' Compensation Programs administers the Federal Employees' Compensation Act, 5 U.S.C. 8133. Under the Act, eligible dependents of deceased employees receive compensation benefits on account of the employee's death. OWCP has to monitor death benefits for current marital status, potential for dual benefits, and other criteria for qualifying as a survivor under the law. The CA–12 is sent annually to beneficiaries in death cases to verify that their status has not changed and that they remain entitled to benefits. The information collected is used by OWCP claims examiners to help ensure that death benefits being paid are correct, and that payments are not made to ineligible survivors. This information collection is currently approved for use through July 31, 2017.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- * Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- * evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information,

including the validity of the methodology and assumptions used;

- * enhance the quality, utility and clarity of the information to be collected; and

- * minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

LEGAL SERVICES CORPORATION

Legal Services Corporation Performance Criteria; Request for Comments on Performance Area 4

AGENCY: Legal Services Corporation.

ACTION: Request for comments.

SUMMARY: The Legal Services Corporation (LSC) is in the process of revising the Performance Criteria that LSC uses to evaluate the quality of legal assistance provided by its grantees. LSC

is seeking comments on the proposed changes to Performance Area 4, “Effectiveness of governance, leadership, and administration.”

DATES: All comments must be received on or before the close of business on May 29, 2017.

ADDRESSES: You may submit comments by any of the following methods:

- *Agency Web site:* <http://www.lsc.gov/about-lsc/matters-comment>
- *Email:* performancecriteria@lsc.gov
- *Fax:* (202) 337–6813
- *Mail:* Legal Services Corporation, 3333 K Street NW., Washington, DC 20007.

Instructions: All comments should be addressed to Zoe Osterman, Project Coordinator for the Executive Office, Legal Services Corporation. Include “Revisions to Performance Area 4” as the heading or subject line for all comments submitted.

FOR FURTHER INFORMATION CONTACT: Zoe Osterman, ostermanz@lsc.gov, (202) 295–1617.

SUPPLEMENTARY INFORMATION: As an entity created and funded by Congress, LSC has the statutory responsibility to ensure that recipients of LSC funds provide economical and effective legal assistance to eligible individuals in all parts of the country, including U.S. territories. With this goal in mind, LSC adopted the Performance Criteria in 1995. LSC last revised the Performance Criteria in 2007.

Beginning in 2016, LSC initiated a process to revise the Performance Criteria. LSC started with Performance Area 4, “Effectiveness of governance, leadership, and administration.” LSC established an internal working group and an external advisory committee comprised of board governance experts, judges, executive directors and former board members of LSC recipients, and representatives from the American Bar Association and the National Legal Aid and Defender Association. These groups worked to identify criteria within Performance Area 4 in need of revisions, best practices in nonprofit governance, and the strengths and weaknesses of proposed revisions. LSC also consulted with the advisory committee to identify the best ways to ensure recipient compliance with the Performance Criteria and the best tools for monitoring recipient board governance and leadership performance. This process culminated in the creation of charts, broken down by criteria, that show the existing indicators and the areas of inquiry LSC uses to evaluate recipients’ performance on each indicator the proposed new indicators

and areas of inquiry, and sources of support for each proposed change.

LSC now seeks public comment on the proposed changes to Performance Area 4 described in the chart. Black font indicates language in the current performance criteria and red font indicates proposed language. The charts will be available at <http://www.lsc.gov/about-lsc/matters-comment> beginning March 31, 2017.

LSC is following a similar process to revise Performance Criteria 1–3. Additional information and opportunity to comment on the revisions to Performance Criteria 1–3 will be provided in future **Federal Register** notices.

Dated: March 30, 2017.

Assistant General Counsel.
