Foreign-Trade Zones Board

[B-21-2017]

Foreign-Trade Zone 74—Baltimore, Maryland; Application for Reorganization (Expansion of Service Area) Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Baltimore Development Corporation on behalf of the City of Baltimore, grantee of Foreign-Trade Zone 74, requesting authority to reorganize the zone to expand its service area under the alternative site framework (ASF)

adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on April 5, 2017.

FTZ 74 was approved by the FTZ Board on January 21, 1982 (Board Order 183, 47 FR 5737, February 8, 1982) and reorganized under the ASF on May 24, 2012 (Board Order 1831, 77 FR 32930, June 4, 2012). The zone currently has a service area that includes the City of Baltimore and the Counties of Anne Arundel, Baltimore, Cecil and Harford.

The applicant is now requesting authority to expand the service area of the zone to include Howard and Queen Anne Counties, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies' needs for FTZ designation. The application indicates that the proposed expanded service area is adjacent to the Baltimore Customs and Border Protection Port of Entry.

In accordance with the FTZ Board's regulations, Kathleen Boyce of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is June 9, 2017. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to June 26, 2017.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz. For further information, contact Kathleen Boyce at Kathleen.Boyce@trade.gov or (202) 482-1346.

Dated: April 5, 2017.

Andrew McGilvray,

Executive Secretary.

Bureau of Industry and Security

Order Denying Export Privileges In the Matter of: Sam Rafic Ghanem, 6714 Forsythia Street, Springfield, VA 22150

On August 12, 2015, in the U.S. District Court for the District of Maryland, Sam Rafic Ghanem (“Ghanem”), was convicted of violating section 38 of the Arms Export Control Act (22 U.S.C. 2778 (2012)) (“AECA”). Specifically, Ghanem willfully attempted to export and cause the exportation of firearms parts and accessories designated as defense articles under Category I of the United States Munitions List from the United States to Lebanon without having first obtained the required license or authorization from the U.S. Department of State, Directorate of Defense Trade Controls. Ghanem was sentenced 18 months in prison, three years of supervised release, a criminal fine of \$70,734.24, and a \$200 assessment.

Section 766.25 of the Export Administration Regulations (“EAR” or “Regulations”)¹ provides, in pertinent part, that “[t]he Director of the Office of Exporter Services, in consultation with the Director of the Office of Export Enforcement, may deny the export privileges of any person who has been convicted of a violation of the Export Administration Act (“EAA”), the EAR, or any order, license or authorization issued thereunder; any regulation, license, or order issued under the International Emergency Economic Powers Act (50 U.S.C. 1701–1706); 18 U.S.C. 793, 794 or 798; section 4(b) of the Internal Security Act of 1950 (50 U.S.C. 783(b)), or section 38 of the Arms Export Control Act (22 U.S.C. 2778).” 15 CFR 766.25(a); *see also* section 11(h) of the EAA, 50 U.S.C. 4610(h). The denial

of export privileges under this provision may be for a period of up to 10 years from the date of the conviction. 15 CFR 766.25(d); *see also* 50 U.S.C. 4610(h). In addition, section 750.8 of the Regulations states that the Bureau of Industry and Security’s Office of Exporter Services may revoke any Bureau of Industry and Security (“BIS”) licenses previously issued in which the person had an interest in at the time of his conviction.

BIS has received notice of Ghanem’s conviction for violating the AECA, and has provided notice and an opportunity for Ghanem to make a written submission to BIS, as provided in section 766.25 of the Regulations. Ghanem requested an extension of time to make a written submission to BIS, which was granted, but BIS did not receive a submission from Ghanem.

Based upon my review and consultations with BIS’s Office of Export Enforcement, including its Director, and the facts available to BIS, I have decided to deny Ghanem’s export privileges under the Regulations for a period of 10 years from the date of Ghanem’s conviction. I have also decided to revoke all licenses issued pursuant to the Act or Regulations in which Ghanem had an interest at the time of his conviction.

Accordingly, it is hereby *Ordered*:

First, from the date of this Order until August 12, 2025, Sam Rafic Ghanem, with a last known address of 6714 Forsythia Street, Springfield, VA 22150, and when acting for or on his behalf, his successors, assigns, employees, agents or representatives (the “Denied Person”), may not, directly or indirectly, participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as “item”) exported or to be exported from the United States that is subject to the Regulations, including, but not limited to:

A. Applying for, obtaining, or using any license, License Exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in

any other activity subject to the Regulations.

Second, no person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of the Denied Person any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Denied Person of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Denied Person acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

Third, after notice and opportunity for comment as provided in section 766.23 of the Regulations, any other person, firm, corporation, or business organization related to Ghanem by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business may also be made subject to the provisions of this Order in order to prevent evasion of this Order.

Fourth, in accordance with part 756 of the Regulations, Ghanem may file an appeal of this Order with the Under Secretary of Commerce for Industry and Security. The appeal must be filed within 45 days from the date of this Order and must comply with the provisions of part 756 of the Regulations.

Fifth, a copy of this Order shall be delivered to the Ghanem. This Order shall be published in the **Federal Register**.

¹ The Regulations are currently codified in the Code of Federal Regulations at 15 CFR parts 730–774 (2016). The Regulations issued pursuant to the Export Administration Act (50 U.S.C. 4601–4623 (Supp. III 2015) (available at <http://uscode.house.gov>)).
