

submissions and access the E-Filing system for any proceeding in which it is participating; and (2) advise the Secretary that the participant will be submitting a petition or other adjudicatory document (even in instances in which the participant, or its counsel or representative, already holds an NRC-issued digital ID certificate). Based upon this information, the Secretary will establish an electronic docket for the hearing in this proceeding if the Secretary has not already established an electronic docket.

Information about applying for a digital ID certificate is available on the NRC's public Web site at <http://www.nrc.gov/site-help/e-submittals/getting-started.html>. Once a participant has obtained a digital ID certificate and a docket has been created, the participant can then submit adjudicatory documents. Submissions must be in Portable Document Format (PDF). Additional guidance on PDF submissions is available on the NRC's public Web site at <http://www.nrc.gov/site-help/electronic-sub-ref-mat.html>. A filing is considered complete at the time the document is submitted through the NRC's E-Filing system. To be timely, an electronic filing must be submitted to the E-Filing system no later than 11:59 p.m. Eastern Time on the due date. Upon receipt of a transmission, the E-Filing system time-stamps the document and sends the submitter an email notice confirming receipt of the document. The E-Filing system also distributes an email notice that provides access to the document to the NRC's Office of the General Counsel and any others who have advised the Office of the Secretary that they wish to participate in the proceeding, so that the filer need not serve the document on those participants separately. Therefore, applicants and other participants (or their counsel or representative) must apply for and receive a digital ID certificate before adjudicatory documents are filed so that they can obtain access to the documents via the E-Filing system.

A person filing electronically using the NRC's adjudicatory E-Filing system may seek assistance by contacting the NRC's Electronic Filing Help Desk through the "Contact Us" link located on the NRC's public Web site at <http://www.nrc.gov/site-help/e-submittals.html>, by email to MSHD.Resource@nrc.gov, or by a toll-free call at 1-866-672-7640. The NRC Electronic Filing Help Desk is available between 9 a.m. and 6 p.m., Eastern Time, Monday through Friday, excluding government holidays.

Participants who believe that they have a good cause for not submitting documents electronically must file an exemption request, in accordance with 10 CFR 2.302(g), with their initial paper filing stating why there is good cause for not filing electronically and requesting authorization to continue to submit documents in paper format. Such filings must be submitted by: (1) First class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; or (2) courier, express mail, or expedited delivery service to the Office of the Secretary, 11555 Rockville Pike, Rockville, Maryland 20852, Attention: Rulemaking and Adjudications Staff. Participants filing adjudicatory documents in this manner are responsible for serving the document on all other participants. Filing is considered complete by first-class mail as of the time of deposit in the mail, or by courier, express mail, or expedited delivery service upon depositing the document with the provider of the service. A presiding officer, having granted an exemption request from using E-Filing, may require a participant or party to use E-Filing if the presiding officer subsequently determines that the reason for granting the exemption from use of E-Filing no longer exists.

Documents submitted in adjudicatory proceedings will appear in the NRC's electronic hearing docket which is available to the public at <https://adams.nrc.gov/ehd>, unless excluded pursuant to an order of the Commission or the presiding officer. If you do not have an NRC-issued digital ID certificate as described above, click cancel when the link requests certificates and you will be automatically directed to the NRC's electronic hearing dockets where you will be able to access any publicly available documents in a particular hearing docket. Participants are requested not to include personal privacy information, such as social security numbers, home addresses, or personal phone numbers in their filings, unless an NRC regulation or other law requires submission of such information. For example, in some instances, individuals provide home addresses in order to demonstrate proximity to a facility or site. With respect to copyrighted works, except for limited excerpts that serve the purpose of the adjudicatory filings and would constitute a Fair Use application, participants are requested not to include copyrighted materials in their submission.

Dated at Rockville, Maryland, this 14th day of April 2017.

For the Nuclear Regulatory Commission.

Deputy Director, Division of Decommissioning, Uranium Recovery, and Waste Programs, Office of Nuclear Material Safety and Safeguards.

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Designation of a Longer Period for Commission Action on a Proposed Rule Change Related to Unusual Market Conditions and the Requirement To Systemize Non-Electronic Orders Prior to Representation

April 18, 2017.

On February 15, 2017, Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change that would permit the Exchange to suspend the requirement that non-electronic orders be systematized prior to representation on the trading floor when a fast market has been declared by Floor Officials. The proposed rule change was published for comment in the **Federal Register** on March 6, 2017.³ The Commission has not yet received any comment letters on the proposed rule change.

The 45th day after publication of the notice for this

proposed rule change is April 20, 2017. The Commission is hereby extending this 45-day time period.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-80477; File No. 4-707]

Self-Regulatory Organizations; ISE Mercury, LLC; Order Declaring Effective a Minor Rule Violation Plan

April 18, 2017.

On March 9, 2017, ISE Mercury, LLC (“Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed minor rule violation plan (“MRVP” or “Plan”) pursuant to Section 19(d)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19d-1(c)(2) thereunder.² The proposed MRVP was published for public comment on March 21, 2017.³ The Commission received no comments on the proposal. This order declares the Exchange’s proposed MRVP effective.

The Exchange’s MRVP specifies the rule violations which will be included in the Plan and will have sanctions not exceeding \$2,500. Any violations which are resolved under the MRVP would not be subject to the provisions of Rule 19d-1(c)(1) of the Act,⁴ which requires that a self-regulatory organization (“SRO”) promptly file notice with the Commission of any final disciplinary action taken with respect to any person

or organization.⁵ In accordance with Rule 19d-1(c)(2) under the Act,⁶ the Exchange proposed to designate certain specified rule violations as minor rule violations, and requested that it be relieved of the prompt reporting requirements regarding such violations, provided it gives notice of such violations to the Commission on a quarterly basis.

The Exchange proposed to include in its MRVP the procedures and violations currently included in Exchange Rule 1614 (“Imposition of Fines for Minor Rule Violations”), which had been incorporated by reference from the International Securities Exchange’s rule book.⁷ According to the Exchange’s proposed MRVP, under Exchange Rule 1614, the Exchange may impose a fine (not to exceed \$2,500) on any Member, or person associated with or employed by a Member, for any rule listed in Rule 1614(d).⁸ The Exchange shall serve the person against whom a fine is imposed with a written statement setting forth the rule or rules violated, the act or omission constituting each such violation, the fine imposed, and the date by which such determination becomes final or by which such determination must be contested. If the person against whom the fine is imposed pays the fine, such payment shall be deemed to be a waiver of such person’s right to a disciplinary proceeding and any review of the matter under the Exchange rules. Any person against whom a fine is imposed may contest the Exchange’s

⁵ The Commission adopted amendments to paragraph (c) of Rule 19d-1 to allow SROs to submit for Commission approval plans for the abbreviated reporting of minor disciplinary infractions. *See* Securities Exchange Act Release No. 21013 (June 1, 1984), 49 FR 23828 (June 8, 1984). Any disciplinary action taken by an SRO against any person for violation of a rule of the SRO which has been designated as a minor rule violation pursuant to such a plan filed with and declared effective by the Commission is not considered “final” for purposes of Section 19(d)(1) of the Act if the sanction imposed consists of a fine not exceeding \$2,500 and the sanctioned person has not sought an adjudication, including a hearing, or otherwise exhausted his administrative remedies.

⁶ 17 CFR 240.19d-1(c)(2).

⁷ The Exchange received its grant of registration on January 29, 2016, which included approving the rules that govern the Exchange. *See* Securities Exchange Act Release No. 76998 (Jan. 29, 2016), 81 FR 6066 (Feb. 4, 2016).

⁸ Under the proposed MRVP, violations of the following rules would be appropriate for disposition under the MRVP: Rule 412 (Position Limits); Rule 1403 (Focus Reports); Rule 1404 (Requests for Trade Data); Rule 723 (Price Improvement Mechanism for Crossing Transactions); Rule 717 (Order Entry); Rule 803 (Quotation Parameters); Rule 805 (Execution of Orders in Appointed Options); Rule 419 (Mandatory Systems Testing); Rule 1100 (Exercise of Options Contracts); Rule 415 (Reports Related to Position Limits); and Rule 804(e) (Continuous Quotes). *See* Notice, *supra* note 3.

determination by filing with the Exchange a written answer, at which point the matter shall become a disciplinary proceeding.

Once the Exchange’s MRVP is effective, the Exchange will provide to the Commission a quarterly report for any actions taken on minor rule violations under the MRVP. The quarterly report will include: The Exchange’s internal file number for the case, the name of the individual and/or organization, the nature of the violation, the specific rule provision violated, the sanction imposed, the number of times the rule violation occurred, and the date of the disposition.⁹

The Commission finds that the proposal is consistent with the public interest, the protection of investors, or otherwise in furtherance of the purposes of the Act, as required by Rule 19d-1(c)(2) under the Act,¹⁰ because the MRVP will permit the Exchange to carry out its oversight and enforcement responsibilities as an SRO more efficiently in cases where full disciplinary proceedings are not necessary due to the minor nature of the particular violation.

In declaring the Exchange’s MRVP effective, the Commission in no way minimizes the importance of compliance with Exchange rules and all other rules subject to the imposition of sanctions under Exchange Rule 1614. The Commission believes that the violation of an SRO’s rules, as well as Commission rules, is a serious matter. However, Exchange Rule 1614 provides a reasonable means of addressing violations that do not rise to the level of requiring formal disciplinary proceedings, while providing greater flexibility in handling certain violations. The Commission expects that the Exchange will continue to conduct surveillance and make determinations based on its findings, on a case-by-case basis, regarding whether a sanction under the MRVP is appropriate, or whether a violation requires formal disciplinary action.

It is therefore ordered, pursuant to Rule 19d-1(c)(2) under the Act,¹¹ that the proposed MRVP for ISE Mercury, LLC, File No. 4-707, be, and hereby is, declared effective.

⁹ The Exchange attached a sample form of the quarterly report with its submission to the Commission.
