SUPPLEMENTARY INFORMATION: On January 11, 2017, (82 FR 3315), the FDIC requested comment for 60 days on a proposal to renew the information collections described below. No comments were received. The FDIC hereby gives notice of its plan to submit to OMB a request to approve the renewal of these collections, and again invites comment on this renewal.

Proposal to renew the following currently approved collections of information:

1. *Title:* Interagency Biographical and Financial Report.

OMB Number: 3064-0006.

Form Number: Interagency Biographical and Financial Report.

Affected Public: Insured State Nonmember Banks and State Savings Associations.

Burden Estimate:

Type of burden	Estimated number of respondents	Estimated time per response	Frequency of response	Total annual estimated burden
Reporting	574	4	On Occasion	2,296 hours

General Description of Collection: The Report is submitted to the FDIC by: (1) Each individual director, officer or individual or group of shareholders acting in concert that will own or control 10% or more of a proposed or operating depository institution applying for FDIC deposit insurance; (2) a person proposing to acquire control of an insured state nonmember bank or state savings association (FDIC-supervised institution); (3) each proposed new director or proposed new chief executive officer of an FDIC-supervised institution which has undergone a change in control within the preceding twelve months; and (4) each proposed new director or senior executive officer of an FDIC-supervised institution that is not in compliance with the applicable capital requirements

or is otherwise in a troubled condition. The information is used by the FDIC to make an evaluation of the general character and financial condition of individuals who will be involved in the management or control of financial institutions, as required by statute. In order to lessen the burden on applicants, the FDIC cooperates with the other federal banking agencies to the maximum extent possible in processing the various applications. Notably, the Interagency Biographical and Financial Report will be amended to remove all references to the Office of Thrift Supervision as it appears on the form as well as changing the term "thrift" to "savings association." These changes are technical and non-substantive in nature.

There is no change in the method or substance of the collection. The overall

reduction in burden hours is a result of economic fluctuation. In particular, the number of respondents has decreased while the hours per response remain the same.

2. *Title:* Prohibitions and Restrictions on Proprietary Trading and Certain Interests In and Relationships With, Hedge Funds and Private Equity Funds.

OMB Number: 3064-0184.

Form Number: None.

Affected Public: Insured state nonmember banks not under a holding company; state savings associations and state savings banks not under a holding company; subsidiaries of state nonmember banks, state savings associations, and state savings banks not under a holding company; and foreign banks having an insured branch and their branches and agencies.
