Vessels able to pass through the bridge in the closed position may do so at anytime. The bridge will be able to open for emergencies and there is no immediate alternate route for vessels unable to pass through the bridge in the closed position. The Coast Guard will also inform the users of the waterway through our Local and Broadcast Notice to Mariners of the change in operating schedule for the bridge so that vessels can arrange their transits to minimize any impacts caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Security Zone; Schuylkill River, Philadelphia, PA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary security zone on the waters of the Schuylkill River, Philadelphia, PA. This temporary security zone is intended to restrict vessels from portions of the Schuylkill River during the 2017 National Football League (NFL) Draft from April 27 through April 29, 2017. During the enforcement period, no unauthorized vessels or people will be permitted to enter or move within the security zone without permission from the Captain of the Port or designated representative. This security zone is necessary to provide security on navigable waters near the event.

DATES: This rule is effective without actual notice from April 27, 2017 through 6:00 p.m. on April 29, 2017. For

purposes of enforcement, actual notice will be used from 10:00 a.m. on April 27 through April 27, 2017.

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are impracticable, unnecessary, or contrary to the public interest. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking with respect to this rule because doing so would be impracticable and contrary to the public interest. The final details for the security zone were not known until April 10, 2017, preventing the Coast Guard from issuing a notice of proposed rulemaking with opportunity for public comment. Delaying this action to allow an opportunity for public comment would be contrary to the rule’s objectives of ensuring safety of life on the navigable waters and protection near the event.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this temporary rule effective less than 30 days after publication in the **Federal Register** because doing so would be impracticable and contrary to the public interest. Delaying the effective date would be contrary to the rule’s objectives of ensuring safety of life on the navigable waters and protection near the event.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The Captain of the Port Delaware Bay has determined that this temporary security zone is necessary to provide security during the NFL Draft, and protect against sabotage or terrorist attacks to human life, vessels, mariners, and waterfront facilities at or near this event.

IV. Discussion of the Rule

From April 27, 2017 through April 29, 2017, the NFL Draft will take place at the Philadelphia Museum of Art in Philadelphia, PA. The Coast Guard is establishing a temporary security zone in a portion of the Schuylkill River, Philadelphia, PA. The security zone includes all the waters of the Schuylkill River from the Market Street Bridge north to the Fairmount dam.

Access to this security zone will be restricted during the specified date and time period. Only vessels or persons specifically authorized by the Captain of the Port Delaware Bay or designated representative may enter or remain in the regulated area. This security zone will be effective and enforced from April 27, 2017 through April 29, 2017.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, it has not been reviewed by the Office of Management and Budget.

This regulatory action determination is based on the size, location, duration, and time-of-year of the security zone. Vessel traffic will be able to safely transit around this security zone which will impact a small designated area of the Schuylkill River, Philadelphia, PA, for less than 12 hours. Moreover, the Coast Guard will issue Broadcast Notice to Mariners via VHF-FM marine channel 16 regarding the security zone,

under the regulation vessel operators may request permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the security zone may be small entities, for the reasons stated in section V. A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of federal employees who enforce, or otherwise determine compliance with, federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct

effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that it is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule adjusts rates in accordance with applicable statutory and regulatory mandates. It is categorically excluded under section 2.B.2, figure 2–1, paragraph 34(g) of the Instruction, which pertains to minor regulatory changes that are editorial or procedural in nature. A Record of Environmental Consideration (REC) supporting this determination is available in the docket where indicated in the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

LEGAL SERVICES CORPORATION

45 CFR Part 1609

Fee-Generating Cases

AGENCY: Legal Services Corporation.

ACTION: Final rule.

SUMMARY: This final rule revises the Legal Services Corporation (LSC or Corporation) regulation regarding fee-generating cases. This rule clarifies the definition of “fee-generating case,” clarifies that brief advice is permitted by the regulation, and revises how a recipient accounts for attorneys’ fees awards.

DATES: This final rule is effective on June 1, 2017.

FOR FURTHER INFORMATION CONTACT: Stefanie K. Davis, Assistant General Counsel, Legal Services Corporation, 3333 K Street NW., Washington, DC 20007; (202) 295–1563 (phone), (202) 337–6519 (fax), or sdavis@lsc.gov.

SUPPLEMENTARY INFORMATION:

I. Background

Section 1007(b)(1) of the Legal Services Corporation Act of 1974 prohibits recipients from using LSC funds “to provide legal assistance (except in accordance with guidelines promulgated by the Corporation) with respect to any fee-generating case[.]” 42 U.S.C. 2996f(b)(1). LSC implemented this provision through 45 CFR part 1609. In the preamble to the original part 1609, LSC explained that the private bar is generally “eager to accept contingent fee cases and cases in which there may be an award of attorneys’ fees to be paid by the opposing party pursuant to [statute].” 41 FR 38505, Sept. 10, 1976. LSC therefore drafted part 1609 to “insure that recipients do not use scarce legal services resources when private attorneys are available to provide effective representation and . . . assist eligible clients to obtain appropriate and effective legal assistance.” 45 CFR 1609.1(a), (b). Nevertheless, LSC recognized that “there may be instances when no private attorney is willing to represent an individual, because the recovery of a fee is unlikely, the potential fee is too small, or some other reason.” 41 FR 38505.

To balance these considerations, LSC (1) defined “fee-generating case” to prohibit recipients from accepting cases that a private attorney would take, and (2) provided exceptions to the prohibition when adequate representation by the private bar is unavailable and contains safeguards to prevent recipients from taking cases the private bar would accept. *Id.* The definition of “fee-generating case” includes “every situation in which an attorney reasonably may expect to receive a fee for services from any source except the client.” *Id.* Specifically, LSC defined “fee-generating case” as “any case or matter which, if undertaken on behalf of an eligible client by an attorney in private practice, reasonably may be expected to result in a fee for legal services from an award to a client, from public funds, or from the opposing party.” *Id.* In § 1609.3, LSC established circumstances in which a recipient may use LSC funds to provide legal assistance in a fee-generating case, such as after the case has been rejected by the local lawyer referral service or by two private attorneys. 45 CFR 1609.3(a)(1).

In 1996, LSC proposed two changes to clarify the meaning of “fee-generating case.” First, LSC proposed “[a] technical numerical change” to the definition of “fee-generating case” which was intended “to clarify that the definition includes fees from three sources: an award (1) to a client, (2) from public funds, or (3) from the opposing party.” 61 FR 45765, Aug. 29, 1996. This proposed change resulted in comments about whether LSC intended to make substantive changes to the definition. 62 FR 19398, Apr. 21, 1997. Because LSC did not intend to change the definition and sought to avoid confusion about its intent, the Board of Directors (“Board”) rejected the numerical changes proposed in the Notice of Proposed Rulemaking (“NPRM”). *Id.*

Nevertheless, the Board implemented a second proposed change by adopting language that explained what is not a “fee-generating case.” *Id.* The revision excluded court appointments from the definition because such cases, even where fees are paid, are considered a professional obligation. *Id.* Additionally, the revision excluded situations where recipients undertake representation under a contract with a government agency or other entity and the agency or entity pays the recipient “because a contract payment does not constitute fees that come from an award to a client or attorneys’ fees that come from the losing party in a case, or from public funds.” *Id.*; see 45 CFR 1609.2(b). LSC has not made substantive changes
