

This notice of enforcement is issued under authority of 33 CFR 100.501(f) and 5 U.S.C. 552(a). In addition to this notice of enforcement in the **Federal Register**, the Coast Guard will provide notification of this enforcement period via Local Notice to Mariners and marine information broadcasts.

Dated: May 1, 2017.

Lonnie P. Harrison, Jr.,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2016-1038]

Drawbridge Operation Regulation; Harlem River, New York, NY

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation; modification.

SUMMARY: The Coast Guard has modified a temporary deviation from the operating schedule that governs the 125th Street (Triborough) Bridge across the Harlem River, mile 1.3, at New York, NY. This modified deviation extends the period the bridge may remain in the closed-to-navigation position and is necessary to facilitate rehabilitation of the mechanical and electrical components of the bridge.

DATES: This modified deviation is effective from 12:01 a.m. May 16, 2017 to 11:59 p.m. June 19, 2017.

ADDRESSES: The docket for this deviation, USCG-2016-1038 is available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH". Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Judy Leung-Yee, Project Officer, First Coast Guard District, telephone (212) 514-4330, email judy.k.leung-ye@uscg.mil.

SUPPLEMENTARY INFORMATION: On December 22, 2016, the Coast Guard published a temporary deviation entitled "Drawbridge Operation Regulation; Harlem River, New York, New York" in the **Federal Register** (81 FR 93820). That temporary deviation allows the bridge to be in the closed position from January 17, 2016 through May 15, 2017. The bridge owner,

Triborough Bridge and Tunnel Authority (TBTA), has requested a modification of the currently published deviation to extend the bridge closure from May 15, 2017 to June 19, 2017 in order to facilitate rehabilitation of the mechanical and electrical components of the bridge.

The 125th Street Bridge, mile 1.3, across the Harlem River, has a vertical clearance in the closed position of 54 feet at mean high water and 59 feet at mean low water. The existing bridge operating regulations are found at 33 CFR 117.789(b)(1).

Although the waterway is transited by commercial tugs, barges and recreational vessels, there have been no requests for bridge openings in the past two years. The Coast Guard notified known companies of the commercial vessels that transit the area, the NYPD, and the FDNY; there were no objections to this temporary deviation modification.

Under this temporary deviation modification, the 125th Street Bridge may remain in the closed position from May 16, 2017 to June 19, 2017. Vessels able to pass under the bridge in the closed position may do so at any time. The bridge will not be able to open for emergencies and there is an alternate route for vessels to pass.

The Coast Guard will inform the users of the waterways through our Local Notice and Broadcast to Mariners of the change in operating schedule for the bridge so that vessel operations can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: April 20, 2017.

C.J. Bisignano,

Supervisory Bridge Management Specialist, First Coast Guard District.

BILLING CODE 9110-04-P

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 17

RIN 2900-AP87

Extension of Pharmacy Copayments for Medications

AGENCY: Department of Veterans Affairs.

ACTION: Resolution of interim final rule.

SUMMARY: The Department of Veterans Affairs (VA) notifies the public that an interim final rule freezing medication copayments for veterans in priority groups 2 through 8, published on December 7, 2016, was superseded by a final rule amending its regulations concerning copayments that published on December 12, 2016. The interim final rule received no public comments.

DATES: *Effective Date:* This rule is effective on May 5, 2017.

FOR FURTHER INFORMATION CONTACT: Bridget Souza, Office of Community Care (10D), Veterans Health Administration, Department of Veterans Affairs, 810 Vermont Avenue NW., Washington, DC 20420, (202) 382-2537. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: On December 7, 2016, VA published an interim final rule, RIN 2900-AP87—Copayments for Medications in 2017 (AP87), at 81 FR 88120, extending the medication copayment freeze through February 26, 2017. We did so in anticipation of publishing a separate final rule, RIN 2900-AP35—Copayments for Medications Beginning January 1, 2017 (AP35), which published December 12, 2016, at 81 FR 89390, implementing a tiered medication copayment regime with an effective date of February 27, 2017. Failure to extend the medication copayment freeze with the interim final rule would have subjected affected veterans to a short term, but significant, increase in the amount of medication copayments based on the prescription drug component of the Medical Consumer Price Index (CPI-P) per 38 CFR 17.110(b)(1)(iii). In addition, affected veterans in priority groups 2 through 6 would have been subject to an increase in the annual cap on the total amount of copayments.

The interim final rule, AP87, provided a 60-day period during which the public could submit comments. The comment period closed on February 6, 2017, and we received no comments.

As previously mentioned, on December 12, 2016, VA published a final rule, AP35, at 81 FR 89390. This final rule established a tiered
