## SECURITIES AND EXCHANGE COMMISSION

### Proposed Collection; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange

Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-0213.

*Extension:*

Rule 611, SEC File No. 270-540, OMB Control No. 3235-0600.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 611 (17 CFR 242.611). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

- Rule 611 (17 CFR 242.611)—Order Protection Rule

On June 9, 2005, effective August 29, 2005 (*see* 70 FR 37496, June 29, 2005), the Commission adopted Rule 611 of Regulation NMS under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) to require any national securities exchange, national securities association, alternative trading system, exchange market maker, over-the-counter market maker, and any other broker-dealer that executes orders internally by trading as principal or crossing orders as agent, to establish, maintain, and enforce written policies and procedures reasonably designed to prevent the execution of a transaction in its market at a price that is inferior to a bid or offer displayed in another market at the time of execution (a "trade-through"), absent an applicable exception and, if relying on an exception, that are reasonably designed to assure compliance with the terms of the exception. Without this collection of information, respondents would not have a means to enforce compliance with the Commission's intention to prevent trade-throughs pursuant to the rule.

There are approximately 304 respondents<sup>1</sup> per year that will require an aggregate total of 18,240 hours to comply with this rule. It is anticipated that each respondent will continue to expend approximately 60 hours annually: Two hours per month of internal legal time and three hours per month of internal compliance time to ensure that its written policies and procedures are up-to-date and remain in

<sup>1</sup> This estimate includes twelve national securities exchanges and one national securities association that trade NMS stocks. The estimate also includes the approximately 255 firms that were registered equity market makers or specialists at year-end 2015, as well as 36 alternative trading systems that operate trading systems that trade NMS stocks.
