SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Certificate of Housing Counseling; Homeownership and Certificate of Housing Counseling; Home Retention.
OMB Approval Number: 2502-0607.
Type of Request: Emergency Reinstatement Request.

Form Number(s): HUD-9912, HUD-9911.

Description of the need for the information and proposed use: The forms are currently in the process of being revised as part of a home counseling and mortgage industry initiative to issue a housing counseling certificate when a borrower has received counseling for either home ownership or home retention. Due to a misunderstanding in communication that occurred in August 2015, both of these forms were discontinued by OMB as of 12/31/15, when the 83D was mistakenly forwarded to OMB. Due to the critical nature of this high-level project HUD is now at a disadvantage and cannot afford the time delay that can adversely impact the benefits of this program. HUD is now seeking an Emergency Reinstatement Request to be able to facilitate the original collection that will afford HUD the opportunity to begin work on a revision package that will detail the forms modifications and their intended use. Upon approval, OMB will be able to reinstate OMB Control Number 2502-0607 and reissue a new expiration date.

SUPPLEMENTARY INFORMATION:

Background.—On April 10, 2017, the Commission determined that the domestic interested party group response to its notice of institution (82 FR 140, January 3, 2017) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).²

For further information concerning the conduct of this review and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on June 26, 2017, and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,³ and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before June 29, 2017 and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not

contain any new factual information) pertinent to the review by June 29, 2017. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules with respect to filing were revised effective July 25, 2014. See 79 FR 35920 (June 25, 2014), and the revised Commission Handbook on E-filing, available from the Commission's Web site at <https://edis.usitc.gov>.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-1359 (Preliminary)]

Carton Closing Staples From China

Determination

On the basis of the record¹ developed in the subject investigation, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of carton closing staples from China, provided for in subheadings 8305.20 and 7317.00 of the Harmonized Tariff Schedule of the United States, that are

alleged to be sold in the United States at less than fair value ("LTFV").

Commencement of Final Phase Investigation

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigation. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce ("Commerce") of an affirmative preliminary determination in the investigation under section 733(b) of the Act, or, if the preliminary determination is negative, upon notice of an affirmative final determination in that investigation under section 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigation need not enter a separate appearance for the final phase of the investigation. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.

Background

On March 31, 2017, North American Steel & Wire/ISM Enterprises ("ISM"), Butler, Pennsylvania filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured by reason of LTFV imports of carton closing staples from China. Accordingly, effective March 31, 2017, the Commission, pursuant to section 733(a) of the Act (19 U.S.C. 1673b(a)), instituted antidumping duty investigation No. 731-TA-1359 (Preliminary).

Notice of the institution of the Commission's investigation and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of April 7, 2017 (82 FR 17036). The conference was held in Washington, DC, on April 20, 2017, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made this determination pursuant to section 733(a) of the Act (19 U.S.C. 1673b(a)). It

completed and filed its determination in this investigation on May 15, 2017. The views of the Commission are contained in USITC Publication 4694 (May 2017), entitled *Carton Closing Staples from China: Investigation No. 731-TA-1359 (Preliminary)*.

Issued: May 15, 2017.
