SURFACE TRANSPORTATION BOARD

30-Day Notice of Intent To Seek Extension of Approval and Merger of Collections: Statutory Licensing Authority

AGENCY: Surface Transportation Board.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Surface Transportation Board (STB or Board) gives notice that it is requesting from the Office of Management and Budget (OMB) an extension of approval for the information collections required from those seeking licensing authority under 49 U.S.C. 10901–03 and consolidation authority under sections 11323–26. The Board is also seeking approval to merge into this collection (OMB Control Number: 2140–0023) the collection of information about interchange commitments (OMB Control Number: 2140–0016).

The Board previously published a notice about this collection on January 26, 2017 in the **Federal Register**. That notice allowed for a 60-day public review and comment period. No comments were received.

DATES: Comments on this information collection should be submitted by June 21, 2017.

ADDRESSES: Written comments should be identified as “Paperwork Reduction Act Comments, Surface Transportation Board: Statutory Licensing Authority.” These comments should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Chad Lallemand, Surface Transportation Board Desk Officer, by email at oria_submission@omb.eop.gov; by fax at (202) 395–6974; or by mail to Room 10235, 725 17th Street NW., Washington, DC 20503. Please also direct comments to Chris Ohrle, Surface Transportation Board,

¹⁸ 17 CFR 200.30–3(a)(12).

395 E Street SW., Washington, DC 20423-0001, or to pra@stb.gov.

FOR FURTHER INFORMATION CONTACT: For further information regarding this collection, contact Michael Higgins, Deputy Director, Office of Public Assistance, Governmental Affairs, and Compliance at (202) 245-0284 or at Michael.Higgins@stb.gov. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.]

SUPPLEMENTARY INFORMATION: The Board currently collects information from those seeking licensing authority under OMB Control Number 2140-0023 and, under that collection, requires the disclosure of information about rail interchange commitments, which is also addressed under OMB Control Number 2140-0016. This request proposes to combine collections under Control Numbers 2140-0016 and 2140-0023 with 2140-0023 being the survivor. The Board will request to discontinue Control Number 2140-0016 upon OMB approval of the merger.

For each collection, comments are requested concerning: (1) The accuracy of the Board's burden estimates; (2) ways to enhance the quality, utility, and clarity of the information collected; (3) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology, when appropriate; and (4) whether the collection of information is necessary for the proper performance of the functions of the Board, including whether the collection has practical utility. Submitted comments will be summarized and included in the Board's request for OMB approval.

OMB Control Number: 2140-0016.

These transactions may create agreements with interchange commitments. If the interchange commitments limit the future interchange of traffic with third parties, then certain information must be disclosed to the Board about those commitments. 49 CFR 1121.3(d), 1150.33(h), 1150.43(h), 1180.4(g)(4). The collection of this information facilitates the case-specific review of interchange commitments and enables the Board's monitoring of their usage generally.

Under the PRA, a federal agency that conducts or sponsors a collection of information must display a currently valid OMB control number. A collection of information, which is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c), includes agency requirements that persons submit reports, keep records, or provide information to the agency, third parties, or the public. Section 3507(b) of the PRA requires, concurrent with an agency's submitting a collection to OMB for approval, a 30-day notice and comment period through publication in the **Federal Register** concerning each proposed collection of information.
