DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP17-442-000]

Equitrans, LP; Notice of Request Under Blanket Authorization

Take notice that on May 15, 2017, Equitrans, LP (Equitrans), 625 Liberty

Avenue, Suite 1700, Pittsburgh, Pennsylvania 15222-3111, filed in Docket No. CP17-442-000 a prior notice request pursuant to sections 157.205, 157.213 and 157.216 of the Commission's regulations under the Natural Gas Act (NGA), and Equitrans' blanket certificate issued in Docket No. CP96-532-000, to (i) modify and abandon in part an injection and withdrawal well in Equitrans' Rhodes Storage Field Complex (Rhodes Complex) and Skin Creek Storage Field located in Lewis County, West Virginia, and (ii) abandon in-place approximately 2,553 feet of associated natural gas storage pipeline.

Equitrans states that the 27/8-inch tubing currently in place in the Rhodes Complex/Skin Creek Storage Field Well 8217 prevents the use of casing evaluation tools necessary to perform corrosion monitoring required to comply with new regulations adopted by the Pipeline and Hazardous Materials Safety Administration (PHMSA). In order to facilitate compliance with PHMSA's new regulations, Equitrans is proposing to perform certain modifications to Storage Well 8217 and as a result, access to the Rhodes Complex via this well will be abandoned, but access to the Skin Creek Storage Field will not be affected. The proposed modification will result in Storage Well 8217 serving as a single completion well, which will allow the use of high resolution casing logging tools and will have no impact on the well's overall deliverability. Equitrans affirms that there will be no impact on the certificated parameters of either the Rhodes Complex or the Skin Creek Storage Field, and that there will be no elimination or decrease in service to customers as a result of the proposed abandonment of facilities. Equitrans estimates the cost of the project to be \$166,000, all as more fully set forth in the application which is on file with the Commission and open to public inspection. The filing may also be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document.
