Extension: Form 6-K. SEC File No. 270-107, OMB Control No. 3235-0116.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Form 6-K (17 CFR 249.306) is a disclosure document under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) that must be filed by a foreign private issuer to report material information promptly after the occurrence of specified or other important corporate events that are disclosed in the foreign private issuer's home country. The purpose of Form 6-K is to ensure that U.S. investors have access to the same information that foreign investors do when making investment decisions. Form 6-K is a public document and all information provided is mandatory. Form 6-K takes approximately 8.7 hours per response and is filed by approximately 34,794 issuers annually. We estimate 75% of the 8.7 hours per response (6.525 hours) is prepared by the issuer for a total annual reporting burden of 227,031 hours (6.525 hours per response × 34,794 responses). The remaining burden hours are reflected as a cost to the foreign private issuers.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
