SUPPLEMENTARY INFORMATION: Article 17.5 of the CAFTA-DR establishes an Environmental Affairs Council (the Council) and, unless the CAFTA-DR parties otherwise agree, requires it to meet annually to oversee the implementation of, and review progress under, Chapter 17. Article 17.5 further requires, unless the parties otherwise agree, that each meeting of the Council includes a session in which members of the Council have an opportunity to meet with the public to discuss matters relating to the implementation of Chapter 17.

On June 21, the Council will meet in a government-to-government session to (1) review any challenges parties are facing in meeting their environment chapter obligations, (2) highlight environmental achievements in the past year and share related lessons learned and best practices; (3) review ongoing work under the environmental cooperation program; and (4) hear a report from the CAFTA-DR Secretariat for Environmental Matters on the status of the public submissions process.

On June 22, the Council invites all interested persons to attend a public session about Chapter 17 implementation, beginning at 10:00 a.m. at the Costa Rica Marriott Hotel. At the session, the Council will welcome questions, input, and information about challenges and achievements in implementation of the Chapter and the related Environmental Cooperation Agreement (ECA). Environmental Cooperation Program implementers also will be on site to answer questions and provide more information about their particular projects and programs. If you would like to attend the public session, please notify Neal Morris and Laura Buffo at the email addresses listed under the heading **ADDRESSES**. Please include your full name and identify any organization or group you represent. The Department of State and Office of the United States Trade Representative also invite written comments or suggestions to be submitted before June 8, 2017, regarding topics to be discussed at the Council meeting. In preparing comments, we encourage submitters to refer to Chapter 17 of the CAFTA-DR and the CAFTA-DR Environmental Cooperation Agreement (*documents available at [*eqt/trade/caftadr/index.htm and <https://ustr.gov/issue-areas/environment/bilateral-and-regional-trade-agreements>*\). [Docket No. FD 36118]

Ellis & Eastern Company—Acquisition and Operation Exemption—E&ER Company

Ellis & Eastern Company (Ellis), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to acquire from E&ER Company (E&ER) and operate approximately 7.6 miles of rail line, between approximately milepost 41.4, near Manley, Minn., and milepost 49.0, in or near Brandon, S.D., in Rock County, Minn., and Minnehaha County, S.D. (the Line).¹ According to Ellis, the Line is in poor repair and in need of rehabilitation, and has not been operated over since at least 1994, when E&ER acquired the Line.

According to Ellis, it has reached an agreement with E&ER to acquire the trackage, right-of-way, and real property interests of the line owned by E&ER. Ellis also states that the proposed transaction does not involve any provision that may limit future interchange of traffic with any third-party carrier.

Ellis certifies that the projected annual revenues as a result of this transaction will not result in its becoming a Class II or Class I rail carrier and will not exceed \$5 million.

¹ This transaction is related to a concurrently filed verified notice of exemption in *Ellis & Eastern Co.—Operation Exemption—Buffalo Ridge Regional Railroad Authority*, Docket No. FD 36119, wherein Ellis seeks to lease and operate approximately 41.44 miles of Buffalo Ridge Regional Railroad's rail line between approximately milepost 0.0 at Agate, Minn., and milepost 41.44 near Manley, Minn.

The transaction may be consummated on June 7, 2017, the effective date of the exemption (30 days after the exemption was filed).

According to Ellis, this action is categorically excluded from environmental review under 49 CFR 1105.6(c) and from historic review under 49 CFR 1105.8(b).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction. Petitions for stay must be filed no later than May 31, 2017 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 36118, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, one copy of each pleading must be served on John E. Taylor, Taylor Law Firm, LLC, 4820 East 57th St., Suite B, Sioux Falls, SD 57108.

Board decisions and notices are available on our Web site at WWW.STB.GOV.

Decided: May 19, 2017.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.

Jeffrey Herzig,
Clearance Clerk.
