#### SUPPLEMENTARY INFORMATION:

On February 24, 2017, the President signed Executive Order (E.O.) 13777, “Enforcing the Regulatory Reform Agenda,” which established a Federal policy “to alleviate unnecessary regulatory burdens” on the American people. Section 3(a) of the E.O. directs Federal agencies to establish a Regulatory Reform Task Force (Task Force). One of the duties of the Task

Force is to evaluate existing regulations and “make recommendations to the agency head regarding their repeal, replacement, or modification.” The E.O. further asks that each Task Force “attempt to identify regulations that:

- Eliminate jobs, or inhibit job creation;
- are outdated, unnecessary, or ineffective;
- impose costs that exceed benefits;
- create a serious inconsistency or otherwise interfere with regulatory reform initiatives and policies;
- are inconsistent with the requirements of section 515 of the Treasury and General Government Appropriation Act, 2001 (44 U.S.C. 3516 note), or the guidance issued pursuant to that provision in particular those regulations that rely in whole or in part on data, information, or methods that are not publicly available or that are insufficiently transparent to meet the standard of reproducibility; or
- derive from or implement Executive Orders or other Presidential directives that have been subsequently rescinded or substantially modified.”

Section 3(e) of the E.O. 13777 calls on the Task Force to “seek input and other assistance, as permitted by law, from entities significantly affected by Federal regulations, including State, local, and tribal governments, small businesses, consumers, non-governmental organizations, trade associations” on regulations that meet some or all of the criteria above. Through this notice, GSA is soliciting such input from the public to inform its Task Force’s evaluation of existing federal management and federal property management regulations. Specifically, GSA is seeking input on regulations within 41 CFR Chapter 102 (Federal Management Regulation (FMR)) and 41 CFR Chapter 101 (Federal Property Management Regulations (FPMR)) that may be appropriate for repeal, replacement, or modification.
