

If either Borusan's or Toscelik's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1). Where either a respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the companies which were not selected for individual review, we will assign an assessment rate based on the methodology described in the "Rate for Non-Examined Companies" section, above.

With respect to Erbosan, Borusan Birllesik, Borusan Gemlik, Borusan Ithracat, Borusan Ithicat, and Tubeco, if we continue to find that these companies had no shipments of subject merchandise in the final results, we will instruct CBP to liquidate any existing entries of merchandise produced by these companies, but exported by other parties, at the rate for the intermediate reseller, if available, or at the all-others rate.<sup>18</sup>

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Toscelik will be zero, unless there is change in Toscelik's dumping margin in the final results of this review; (2) the cash deposit rate for Borusan will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (3) for other manufacturers and exporters covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which that manufacturer

or exporter participated; (4) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of subject merchandise; and (5) the cash deposit rate for all other manufacturers or exporters will continue to be 14.74 percent, the all-others rate established in the LTFV investigation.<sup>19</sup> These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(1)(b)(4).

Dated: May 31, 2017.

#### Aluminum Extrusions From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Rescission of Review in Part; 2015-2016

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty (AD) order on aluminum extrusions from the People's Republic of China (PRC). The period of review (POR) is May 1, 2015, through April 30, 2016. These preliminary results cover 191 companies and the PRC-wide entity for which an administrative review was initiated. The PRC-wide entity did not respond to the Department's initial quantity and value questionnaires (Q&Vs), and therefore the Department is preliminarily applying adverse facts available (AFA) to the PRC-wide entity. The Department selected the following companies as mandatory respondents: Kam Kiu Aluminium Products Sdn. Bhd. (Kam Kiu) and tenKsolar (Shanghai) Co., Ltd. (tenKsolar). The Department preliminarily determines that Kam Kiu did not demonstrate eligibility for a separate rate and is, therefore, part of the PRC-wide entity. The Department further preliminarily determines that because we lack sufficient record information to allow the Department to calculate a margin for tenKsolar's reported sales of subject merchandise into the United States during the POR, the rate applied to tenKsolar's merchandise upon entry continues to be the AD rate applied to tenKsolar, except to adjust for countervailable duty (CVD) subsidies determined under the parallel aluminum extrusions CVD order. If these preliminary results are adopted in the final results of this review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Interested parties are invited to comment on these preliminary results.

**DATES:** Effective June 6, 2017.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 7, 2016, the Department published the notice of initiation of the administrative review of the AD order on aluminum extrusions from the PRC<sup>1</sup> for the period May 1, 2015, through April 30, 2016, covering 191 companies and the PRC-wide entity.<sup>2</sup>

For a complete description of the events that followed the initiation of this administrative review, see the Preliminary Decision Memorandum.<sup>3</sup> The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's AD and CVD Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content. numbers: 8418.99.80.50 and 8418.99.80.60. While HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this Order is dispositive.

##### Extension of Deadlines for Preliminary Results

On January 3, 2017, the Department extended the period of time for issuing the preliminary results of this review until May 11, 2017.<sup>5</sup> On May 5, 2017, the Department again extended the period of time for issuing the preliminary results of this review until May 31, 2017.<sup>6</sup>

##### Rescission of Administrative Review in Part

Pursuant to 19 CFR 351.213(d)(1), based on the timely withdrawal of the requests for review, we are partially rescinding this administrative review with respect to 181 of the 191 companies named in the *Initiation Notice*.<sup>7</sup> See Appendix II for a list of these companies.<sup>8</sup>

##### Methodology

The Department is conducting this review in accordance with section 751(a)(1)(B) of the Act. For a full description of the methodology underlying our preliminary results, see the Preliminary Decision Memorandum.

##### Preliminary Determination Regarding tenKsolar's Reported Sales

Based on information submitted by tenKsolar, we preliminarily find that we lack sufficient record information to allow the Department to calculate a margin for tenKsolar's reported sales of subject merchandise during the POR.<sup>9</sup> Accordingly, we preliminarily determine that the rate which should be applied to tenKsolar is the AD rate applied to its merchandise upon entry. Consistent with our practice in non-market economy (NME) cases, the Department is not rescinding this review with respect to tenKsolar, but intends to complete the review of tenKsolar and issue appropriate

instructions to CBP based on the final results of this review.<sup>10</sup>

### Separate Rates

In the *Initiation Notice*, we informed parties of the opportunity to request a separate rate.<sup>11</sup> In proceedings involving NME countries, the Department begins with a rebuttable presumption that all companies within the NME country are subject to government control and, thus, should be assigned a single weighted-average dumping margin. It is the Department's policy to assign all exporters of merchandise subject to an administrative review involving an NME country this single rate unless an exporter can demonstrate that it is sufficiently independent so as to be entitled to a separate rate. Companies that wanted to be considered for a separate rate in this review were required to timely file a separate rate application (SRA) or a separate rate certification (SRC) to demonstrate their eligibility for a separate rate. SRAs and SRCs were due to the Department within 30 calendar days of the publication of the *Initiation Notice*.<sup>12</sup>

Mandatory respondent Kam Kiu submitted a SRC,<sup>13</sup> but did not respond to any section of the Department's antidumping questionnaire; instead, Kam Kiu withdrew from active participation as a mandatory respondent.<sup>14</sup> Accordingly, the Department cannot analyze or verify the veracity of Kam Kiu's claims of being separate from the PRC-wide entity for purposes of its export activities. As a result, we preliminarily determine that Kam Kiu did not demonstrate its eligibility for a separate rate in this review.<sup>15</sup> Mandatory respondent tenKsolar submitted a SRC,<sup>16</sup> as well as timely responses to each section of the Department's antidumping questionnaire to which it was required

to submit a response.<sup>17</sup> Based on the information on the record, we preliminarily determine that tenKsolar demonstrated its eligibility for a separate rate in this review.

The Department did not receive a SRA or SRC from any of the other entities remaining under review. As a result, we preliminarily determine that the following entities are not eligible for a separate rate in this administrative review: (1) Atlas Integrated Manufacturing Ltd.; (2) Classic & Contemporary Inc.; (3) Dongguan Golden Tiger Hardware Industrial Co., Ltd.; (4) Jiaxing Jackson Travel Products Co., Ltd.; (5) Taishan City Kam Kiu Aluminium Extrusion Co., Ltd.; (6) Shenyang Yuanda Aluminium Industry Engineering Co. Ltd.; (7) Sincere Profit Limited; and (8) Suzhou New Hongji Precision Part Co.<sup>18</sup>

### Application of Adverse Facts Available

The Department preliminarily determines that the use of facts otherwise available is warranted with respect to the PRC-wide entity, in accordance with sections 776(a)(2)(A) and (C) of the Act. The Department issued a Q&V questionnaire to the PRC-wide entity on December 2, 2016;<sup>19</sup> however, the PRC-wide entity did not respond to the Department's Q&V questionnaire. As a result, we preliminarily find that the PRC-wide entity withheld necessary information that was requested by the Department, significantly impeding the proceeding.

Further, pursuant to section 776(b) of the Act, the Department preliminarily determines that, because the PRC-wide entity failed to cooperate by not acting to the best of its ability to comply with the Department's requests for information, an adverse inference is warranted.

### PRC-Wide Entity

We preliminarily find that the following entities are part of the PRC-wide entity in this administrative review because they failed to submit a Q&V response, a SRA, a SRC, or (in the case of Kam Kiu) were selected as a

mandatory respondent and failed to respond to the AD questionnaire: (1) Kam Kiu; (2) Atlas Integrated Manufacturing Ltd.; (3) Classic & Contemporary Inc.; (4) Dongguan Golden Tiger Hardware Industrial Co., Ltd.; (5) Jiaxing Jackson Travel Products Co., Ltd.; (6) Taishan City Kam Kiu Aluminium Extrusion Co., Ltd.; (7) Shenyang Yuanda Aluminium Industry Engineering Co. Ltd.; (8) Sincere Profit Limited; and (9) Suzhou New Hongji Precision Part Co.

The Department's change in policy regarding conditional review of the PRC-wide entity applies to this administrative review.<sup>20</sup> Under this policy, the PRC-wide entity will not be under review unless a party specifically requests, or the Department self-initiates, a review of the entity. The petitioner<sup>21</sup> requested a review of the PRC-wide entity in the instant review; therefore, the PRC-wide entity is currently under review.

### Adjustments for Countervailable Subsidies

Because no mandatory respondent established eligibility for an adjustment under section 777A(f) of the Act for countervailable domestic subsidies, for these preliminary results, the Department did not make an adjustment pursuant to section 777A(f) of the Act for countervailable domestic subsidies for the separate-rate recipients.

Pursuant to section 772(c)(1)(C) of the Act, we made an adjustment for countervailable export subsidies for tenKsolar. We calculated this adjustment as the simple average of the countervailable export subsidies determined for the mandatory respondents in the 2014 (*i.e.*, most recently completed) CVD administrative review<sup>22</sup> and deducted this amount from the weighted-average dumping margin assigned to tenKsolar.<sup>23</sup> The

adjusted rate for tenKsolar is 85.96 percent.

Pursuant to section 772(c)(1)(C) of the Act, we also made an adjustment for countervailable export subsidies for the PRC-wide entity. We adjusted the PRC-wide entity cash deposit rate by the lowest countervailable export subsidy determined for the mandatory respondents in the 2014 (*i.e.*, most recently completed) CVD administrative review.<sup>24</sup>

### Preliminary Results of Review

The Department preliminarily determines that the following weighted-average dumping margins exist for the 2015–2016 POR:

Exporter	Weighted-average dumping margin (percent)	Margin adjusted for liquidation and cash deposit purposes (percent)
tenKsolar (Shanghai) Co., Ltd. ... PRC-wide Entity	86.01 86.01	85.96 85.96

Additionally, as explained above, the Department preliminarily determines that the following companies are part of the PRC-wide entity: (1) Kam Kiu; (2) Atlas Integrated Manufacturing Ltd.; (3) Classic & Contemporary Inc.; (4) Dongguan Golden Tiger Hardware Industrial Co., Ltd.; (5) Jiaxing Jackson Travel Products Co., Ltd.; (6) Taishan City Kam Kiu Aluminium Extrusion Co., Ltd.; (7) Shenyang Yuanda Aluminium Industry Engineering Co. Ltd.; (8) Sincere Profit Limited; and (9) Suzhou New Hongji Precision Part Co.

### Disclosure and Public Comment

Normally, the Department discloses to interested parties the calculations performed in connection with its preliminary results within five days of its public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). However, because the Department did not calculate weighted-average dumping margins for either of the individually examined companies, Kam Kiu and tenKsolar, in this review, nor for the PRC-wide entity, there are no calculations to disclose.

Interested parties may submit case briefs no later than 30 days after the date of publication of these preliminary results of review.<sup>25</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five

days after the case briefs are filed.<sup>26</sup> Parties who submit arguments are requested to submit with the argument (a) a statement of the issue, (b) a brief summary of the argument, and (c) a table of authorities.<sup>27</sup>

Any interested party may request a hearing within 30 days of publication of this notice.<sup>28</sup> Hearing requests should contain the following information: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the case and rebuttal briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230.<sup>29</sup>

All submissions, with limited exceptions, must be filed electronically using ACCESS.<sup>30</sup> An electronically filed document must be received successfully in its entirety by the Department's electronic records system, ACCESS, by 5 p.m. Eastern Time (ET) on the due date. Documents excepted from the electronic submission requirements must be filed manually (*i.e.*, in paper form) with the APO/Dockets Unit in Room 18022 and stamped with the date and time of receipt by 5 p.m. ET on the due date.<sup>31</sup>

Unless otherwise extended, the Department intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

### Assessment Rates

Upon issuance of the final results of this review, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.<sup>32</sup> The Department intends to issue assessment instructions to CBP 15 days after publication of the final results of this review.

We intend to instruct CBP to liquidate entries containing subject merchandise exported by the PRC-wide entity at the PRC-wide rate. Additionally, if the

Department determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number will be liquidated at the PRC-wide rate.<sup>33</sup>

For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). We will instruct CBP accordingly.

### Cash Deposit Requirements

**Certain Stilbenic Optical Brightening Agents From Taiwan: Preliminary Results of Antidumping Duty Administrative Review; 2015-2016**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Commerce.

**SUMMARY:** The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain stilbenic optical brightening agents (OBAs) from Taiwan. The period of review (POR) is May 1, 2015, through April 30, 2016. The review covers one producer/exporter of the subject merchandise, Teh Fong Ming International Co., Ltd. (TFM). We preliminarily find that TFM has not sold subject merchandise at less than normal value. Interested parties are invited to comment on these preliminary results.

**DATES:** Effective June 6, 2017.

**FOR FURTHER INFORMATION CONTACT:** Catherine Cartsos or Minoo Hatten, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1757, and (202) 482-1690, respectively.

<sup>2</sup> A full description of the scope of the *Order* is contained in the Memorandum, "Certain Stilbenic Optical Brightening Agents from Taiwan: Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review; 2015-2016," dated concurrently with and hereby adopted by this notice (Preliminary Decision Memorandum).

## Methodology

The Department is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Constructed export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. In addition, the Department has relied on partial adverse facts available under sections 776(a) and (b) of the Act. For a full description of the methodology underlying our conclusions, see Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an Appendix to this notice.

## Preliminary Results of Review

We preliminarily determine that a weighted-average dumping margin of 0.00 percent exists for TFM for the period May 1, 2015, through April 30, 2016.
