SUMMARY: On December 9, 2016, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on diamond sawblades and parts thereof (diamond sawblades) from the People’s Republic of China (the PRC). The period of review (POR) is November 1, 2014, through October 31, 2015. For the final results, we continue to find that certain companies covered by this review made sales of subject merchandise at less than normal value.

DATES: Effective June 12, 2017.

FOR FURTHER INFORMATION CONTACT:

Yang Jin Chun or Bryan Hansen, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of

Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5760 and (202) 482-3683, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 9, 2016, the Department published the preliminary results of the administrative review of the antidumping duty order on diamond sawblades from the PRC.¹ We received case and rebuttal briefs with respect to the *Preliminary Results*. The deadline for the final results of this review is June 7, 2017. We conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The merchandise subject to the order is diamond sawblades. The diamond sawblades subject to the order are currently classifiable under subheadings 8202 to 8206 of the Harmonized Tariff Schedule of the United States (HTSUS), and may also enter under subheading 6804.21.00. The HTSUS subheadings are provided for convenience and customs purposes. A full description of the scope of the order is contained in the Issues and Decision Memorandum.² The written description is dispositive.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties to this administrative review are addressed in the Issues and Decision Memorandum. A list of the issues raised is attached to this notice as an appendix. The Issues and Decision Memorandum is a public document and is on file electronically *via* Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce

building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Enforcement and Compliance Web site at <http://enforcement.trade.gov/frn/index.html>.

Final Determination of No Shipments

We preliminarily found that Danyang City Ou Di Ma Tools Co., Ltd., Danyang Tsunda Diamond Tools Co., Ltd., Qingdao Hyosung Diamond Tools Co., Ltd., Qingdao Shinhan Diamond Industrial Co., Ltd., and Shanghai Starcraft Tools Co., Ltd., which have been eligible for separate rates in previous segments of the proceeding and are subject to this review, did not have any reviewable entries of subject merchandise during the POR.³ After the *Preliminary Results*, we received no comments or additional information with respect to these five companies. Therefore, for the final results, we continue to find that these five companies did not have any reviewable entries of subject merchandise during the POR. Consistent with our practice, we will issue appropriate instructions to U.S. Customs and Border Protection (CBP) based on our final results.

Separate Rates

The Department preliminarily determined that 24 respondents are eligible to receive separate rates in this review.⁴ We made no changes to these determinations for the final results.

Changes Since the Preliminary Results

We made revisions to the *Preliminary Results* following our findings in the verification of Bosun Tools Co., Ltd.’s U.S. sales.
