

term expiration months) or a total of seven expiration months (one long term expiration month plus six additional long-term expiration months), and thus is ambiguous. Accordingly, for clarity, the Exchange proposes to delete the word “additional” from Rule 406(a). As amended, the rule would clearly and simply provide that the Exchange may list up to six long-term expiration months (*i.e.*, that expire from twelve up to thirty-nine months from the time they are listed).

Finally, in order to further clarify the Rule, the Exchange is proposing to amend Rule 406(a) to state that there may be up to six (6) long-term expiration months per option class. Thus, there is no limit to the number of option classes for which the Exchange could list options with long-term expiration months; the rule will now clearly state that there may be up to six long-term expiration months per class, *i.e.*, for any class(es) in which the Exchange determines to list options with long-term expiration months.

2. Statutory Basis

MIAX believes that its proposed rule change is consistent with Section 6(b) of the Act³ in general, and furthers the objectives of Section 6(b)(5) of the Act⁴ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest, by clarifying rule language associated with permitted listings of long term options on the Exchange.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change will have no impact on competition as it is not designed to address any competitive issues but rather to add additional clarity to, and remedy possible conflicts in, the Exchange’s Rules.

The Exchange does not believe that the proposed rule changes will impose any burden on intermarket competition

as the Rules apply equally to all Exchange Members.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁵ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁶

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
