NUCLEAR REGULATORY COMMISSION

[Docket No. 50-443-LA2; ASLBP No. 17-953-02-LA-BD01]

Atomic Safety and Licensing Board; In the Matter of Nextera Energy Seabrook, LLC (Seabrook Station, Unit One)

June 5, 2017.

Before Administrative Judges: Ronald M. Spritzer, Chairman, Nicholas G. Trikouros, Dr. Sekazi Mtingwa.

Order

(Scheduling Oral Argument and Providing Instructions)

Before the Board is the petition of the C-10 Research and Education Foundation, Inc. (C-10) challenging a license amendment request submitted by NextEra Energy Seabrook LLC (NextEra) for Seabrook Station, Unit 1, located in Seabrook, New Hampshire. Oral argument on standing and contention admissibility will be held on Thursday, June 29, 2017, beginning at 10:00 a.m. EDT. The Board anticipates that oral argument will last approximately three hours.

The argument will take place by online video conference. Citrix *GoToMeeting* will be used for the video component of oral argument and telephone access will be used for the audio component. The Board will conduct oral argument from the Atomic Safety and Licensing Board Panel's hearing room, located at the Nuclear Regulatory Commission's headquarters at 11555 Rockville Pike, Rockville, Maryland 20852. The designated representatives of C-10, NextEra, and the NRC Staff (collectively "participants") will participate remotely. Members of the public may observe oral argument from the hearing room, but listen-only telephone access will also be made available.

Instructions

On or before Tuesday, June 27, 2017, each participant shall provide the names of its representatives by email to the Board and the service list. Only designated representatives will be permitted to present oral argument. Each counsel or other representative for each participant in this proceeding who has not already done so must file and serve a notice of appearance on or before Tuesday, June 27, 2017, containing all of the information required by 10 CFR 2.314(b). While each participant should designate one primary spokesperson for the argument, limited response will be permitted from

other representatives with a notice of appearance on file to the extent necessary to answer the Board's questions. The Board's law clerk, Julie Reynolds-Engel, will contact the participants' designated representatives by email to provide the web address and telephone number required to participate in oral argument.

On Tuesday, June 27, 2017, beginning at 11:00 a.m. EDT, the Board's IT Specialist will conduct a 15- to 30-minute technology test of the online video conferencing system with the participants. Each participant will need (1) a telephone line, (2) a computer or tablet with an embedded or attached web camera, (3) an internet connection with at least 1 Mbps connection speed, and (4) a compatible web browser or iOS or Android application.¹ The Board's law clerk will contact the participants by email to provide the web address² and telephone number required to participate in the technology test by Thursday, June 22.

The primary purpose of this oral argument is for the Board to ask questions and receive answers concerning standing and contention admissibility issues presented by the pleadings. C-10 shall have 30 minutes to present its arguments on all issues, and the NRC Staff and NextEra shall each have 20 minutes. C-10 may reserve up to 5 minutes of its allotted time for rebuttal. No other rebuttal will be permitted.

In general, the participants should not repeat arguments already presented in their written filings, but should focus on responding to the Board's questions. The argument is not an evidentiary hearing, and the participants therefore should not attempt to introduce evidence during the argument. The participants should advise the Board and the other participants no later than Tuesday, June 27, 2017, if they plan to refer to any type of visual aid during the argument. No material that is not already cited in the record before the Board should be used as a visual aid.

Although the designated representatives will participate remotely, the Board encourages all participants to conduct themselves as if present in-person and to participate from an office setting.

¹ The participants should review the Citrix *GoToMeeting* frequently asked questions Web page (<http://www.gotomeeting.com/meeting/online-meeting-support>) for specific system requirements. For the purpose of this oral argument, there is no cost to the participants for using *GoToMeeting*.

² A participant's computer or tablet may require installation of a free plugin or free software from Citrix. Accessing the provided web address prior to the technology test will prompt a plugin or software download, if required.

Public Attendance

The public is welcome to attend the argument at the Atomic Safety and Licensing Board Panel's hearing room. However, only the designated representatives will be permitted to participate in the argument. Neither signs nor any manner of demonstration will be permitted in the hearing room. Those people wishing to attend the oral argument in person should contact the Board's law clerk, Julie Reynolds-Engel, at 301-415-5680 or julie.reynolds-engel@nrc.gov no later than Tuesday, June 27, 2017, to provide their names for security purposes. All members of the public participating in person must present a valid photo ID and should arrive at least twenty minutes early so as to allow sufficient time to pass through security screening. Cell phones are not permitted in the hearing room.

Listen-Only Telephone Access

The Board's law clerk will contact the participants by email to provide the telephone number and pass code for listen-only access to oral argument. Members of the public who wish to listen to the conference may also contact the Board's law clerk, Julie Reynolds-Engel, at 301-415-5680 or julie.reynolds-engel@nrc.gov, for the necessary listen-only telephone access information by Tuesday, June 27, 2017.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-80903; File No. SR-NYSEArca-2017-66]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend the Exchange's Authority To Grant Exemptions From the OATS Requirements

June 12, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that, on June 2, 2017, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Arca Equities Rule 7470 (Exemption to the Order Recording and Data Transmission Requirements) to extend until November 15, 2019 the ability to exempt certain members from the recording and order data transmission requirements of NYSE Arca Equities Rules 7440 and 7450, respectively, for manual orders. The proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The NYSE Arca Equities Rule 7400 Series consists of NYSE Arca Equities Rules 7410 through 7470 and sets forth the recording and reporting requirements of the Order Audit Trail System ("OATS") Rules. The OATS Rules require all Exchange permit holders and associated persons to record in electronic form and report to the Financial Industry Regulatory Authority, Inc. ("FINRA"), on a daily basis, certain information with respect to orders originated, received, transmitted, modified, canceled, or executed by permit holders in all NMS stocks, as that term is defined in Rule 600(b)(47) of Regulation NMS,³ traded on the Exchange. NYSE Arca Equities Rule 7470 provides the Exchange with the authority to exempt certain members from the recording and reporting requirements and from the recording and order data transmission requirements of NYSE Arca Equities Rules 7440 and 7450, respectively, for manual orders, if such exemption is consistent with the protection of investors and the public interest, and the ETP Holder meets the criteria set forth in paragraph (a) of the Rule.⁴

NYSE Arca Equities Rule 7470 contains a sunset provision, which was July 10, 2015. In June 2015, FINRA filed a proposed rule change to extend the sunset provision until July 10, 2019.⁵ The Exchange proposes to amend NYSE Arca Equities Rule 7470 to extend the provision until November 15, 2019. The proposed change would correct an oversight in not filing when the sunset provision expired in 2015.

The Exchange believes it would be appropriate to extend the sunset provision in NYSE Arca Equities Rule 7470 to November 15, 2019 rather than the July 10, 2019 date in the FINRA Rule. At the time FINRA filed its proposed rule change, the National

³ 17 CFR 242.600(b)(47).

⁴ The criteria are as follows: (1) The ETP Holder and current control affiliates and associated persons have not been subject within the last five years to any final disciplinary action, and within the last ten years to any disciplinary action involving fraud; (2) the ETP Holder has annual revenues of less than \$2 million; (3) the ETP Holder does not conduct any market making activities in NMS stocks; (4) the ETP Holder does not execute principal transactions with its customers (with limited exception for principal transactions executed pursuant to error corrections); and (5) the ETP Holder does not conduct clearing or carrying activities for other firms.
