We intend to select participants for the negotiated rulemaking committees from nominees of the organizations and groups that represent the interests significantly affected by the proposed regulations. To the extent possible, we will select from the nominees individual negotiators who reflect the diversity among program participants, in accordance with section 492(b)(1) of the HEA.

**Regulatory Issues**

We intend to convene a committee to develop proposed regulations to revise the gainful employment regulations published by the Department on October 31, 2014 (79 FR 64889). We intend to convene a second committee to develop proposed regulations to revise the regulations on borrower defenses to repayment of Federal student loans and other matters, published November 1, 2016 (81 FR 75926), and the authority of guaranty agencies in the Federal Family Education Loan Program to charge collection costs under 34 CFR 682.410(b)(6) to a defaulted borrower who enters into a repayment agreement with the guaranty agency.

After a complete review of the public comments presented at the public hearings and in the written submissions, we will publish a document (or documents) in the **Federal Register** announcing the specific topics for which we intend to establish the negotiated rulemaking committees and a request for nominations for individual negotiators for the committees who represent the communities of interest that would be significantly affected by the proposed regulations. This document will also be posted on the Department's Web site at: [www2.ed.gov/policy/highered/reg/hearulemaking/2017/index.html](http://www2.ed.gov/policy/highered/reg/hearulemaking/2017/index.html).

**Public Hearings**

We will hold two public hearings for interested parties to discuss the rulemaking agenda. The public hearings will be held:

- July 10, 2017, at the U.S. Department of Education, 400 Maryland Ave. SW., Barnard Auditorium, Washington, DC 20202.
- July 12, 2017, at Southern Methodist University, Underwood Law Library-Walsh Classroom, 6550 Hillcrest Ave., Dallas, TX 75275.

The public hearings will be held from 9 a.m. to 4 p.m., local time. Further information on the public hearing sites is available at [www2.ed.gov/policy/highered/reg/hearulemaking/2017/index.html](http://www2.ed.gov/policy/highered/reg/hearulemaking/2017/index.html).

Individuals who would like to present comments at the public hearings must register by sending an email to [negreghearing@ed.gov](mailto:negreghearing@ed.gov). The email should include the name of the presenter along with the public hearing at which the individual would like to speak, the general topic(s) the individual would like to address, and a general timeframe during which the individual would like to speak (for example, a presenter could indicate

morning or afternoon, or before 11 a.m. or after 3 p.m.). We will attempt to accommodate each speaker's preference, but, if we are unable to do so, we will make the determination on a first-come first-served basis, based on the time and date the email was received. It is likely that each participant will be limited to five minutes. The Department will notify registrants of the location and time slot reserved for them. An individual may make only one presentation at the public hearings. If we receive more registrations than we are able to accommodate, the Department reserves the right to reject the registration of an entity or individual that is affiliated with an entity or individual that is already scheduled to present comments, and to select among registrants to ensure that a broad range of entities and individuals is allowed to present. We will accept walk-in registrations for any remaining time slots on a first-come first-served basis, beginning at 8:30 a.m. on the day of the public hearing at the Department's on-site registration table. Registration is not required to observe the public hearings; however, space may be limited.

The Department will post transcripts of the hearings to [www2.ed.gov/policy/highered/reg/hearulemaking/2017/index.html](http://www2.ed.gov/policy/highered/reg/hearulemaking/2017/index.html). Although the Department will not be videoing the hearings, as this is a public meeting, speakers should be aware that they may be filmed or recorded by members of the public.

Speakers may submit written comments at the public hearings. In addition, the Department will accept written comments via the Federal eRulemaking portal, and by postal mail, commercial delivery, or hand delivery, through July 12, 2017. (See the **ADDRESSES** section of this document for submission information.)

#### Schedule for Negotiations

We anticipate that any committees established after the public hearings will begin negotiations in November or December of 2017, with the committees meeting for up to three sessions of three to four days each at roughly five- to eight-week intervals. The committees will meet in the Washington, DC area. The dates and locations of these meetings will be published in a subsequent notice in the **Federal Register**, and will be posted on the Department's Web site at: [www2.ed.gov/policy/highered/reg/hearulemaking/2017/index.html](http://www2.ed.gov/policy/highered/reg/hearulemaking/2017/index.html).

## ENVIRONMENTAL PROTECTION AGENCY

### 40 CFR Part 60

[EPA-HQ-OAR-2017-0346; FRL-9963-82-OAR]

RIN 2060-AT65

### Oil and Natural Gas Sector: Emission Standards for New, Reconstructed, and Modified Sources: Three Month Stay of Certain Requirements

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** The Environmental Protection Agency (EPA) is proposing to stay for three months certain requirements that are contained within the Final Rule titled "Oil and Natural Gas Sector: Emission Standards for New, Reconstructed, and Modified Sources," published in the **Federal Register** on June 3, 2016 (2016 Rule). On June 5, 2017, the EPA published a notice that, in accordance with the Clean Air Act (CAA), the EPA stayed for three initial months the fugitive emissions requirements, well site pneumatic pump

standards, and requirements for certification of closed vent systems by a professional engineer. The EPA granted reconsideration after considering specific objections to these requirements. In a separate notice published today, the EPA is proposing a stay for two years, providing the EPA sufficient time to propose, take public comment, and issue a final action on the issues concerning the specific requirements on which EPA has granted reconsideration. The two-year proposed stay published today, if finalized as proposed, would likely be determined to be a major rule under the Congressional Review Act and therefore will not take effect until sixty days after publication or after Congress receives the rule report, whichever is later. Therefore, while the EPA intends to complete that rulemaking and take final action before the initial three-month stay expires, there may potentially be a gap between the two stays due to the sixty-day delay in effectiveness of that action. To avoid such a potential gap, and the resulting confusion, in this action the EPA is proposing a three-month stay which would not qualify as a major rule and could become effective upon publication. The EPA prepared an Economic Impact Analysis for this proposal, which is available in Docket ID EPA-HQ-OAR-2017-0346. The EPA is seeking comment pertaining to this stay and its duration. The EPA is also seeking comment on if a four-month stay may be more appropriate to ensure continuity of the stay. The EPA is not taking comment at this time on substantive issues concerning these requirements, or on any of the other provisions subject to the reconsideration.

**DATES:** Comments must be received on or before July 17, 2017. If a hearing is requested on this proposed rule, written comments must be received on or before August 9, 2017.

**Public Hearing.** A public hearing will be held, if requested by June 21, 2017, to accept oral comments on this proposed action. If a hearing is requested, it will be held at the EPA's Washington, DC campus located at 1201 Constitution Avenue NW., Washington, DC. The hearing, if requested, will begin at 9 a.m. (local time) and will conclude at 4 p.m. (local time) on July 10, 2017. To request a hearing, to register to speak at a hearing, or to inquire if a hearing will be held, please contact Aimee St. Clair at (919) 541-1063 or by email at [stclair.aimee@epa.gov](mailto:stclair.aimee@epa.gov).

Any updates made to any aspect of the hearing, including whether or not a hearing will be held, will be posted
