SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Housing Opportunities for Persons With AIDS (HOPWA): Grant Application Submission, Recordkeeping, and Reporting.

OMB Approval Number: 2506-0133.
Type of Request: Revision of currently approved collection.

Form Number: HUD-40110-B, HUD-40110-C, HUD-40110-D, SF-424, SF-LLL, and HUD-2991.

Description of the need for the information and proposed use: The current paperwork reduction act approval under OMB Control No. 2506-0133 covers both the HOPWA formula and competitive grant programs. The competitive grant program includes new competitive grants and renewal grants. The information collection requirements pertain to grant application submission

requirements which will be used to rate applications, determine eligibility, and establish grant amounts. HOPWA plans to continue using form HUD-40110-B, HOPWA Competitive Application & Renewal of Permanent Supportive Housing Project Budget Summary, as a component of determining applicant eligibility and establishing grant amounts for competitive grants. Limited technical edits are proposed for form HUD-40110-B. HOPWA competitive and renewal application submission also require submission of the following forms: SF424; SFLLL; and HUD-2991. Form HUD-2991 is currently covered under OMB approval number 2506-0112.

The addition of narratives to address the five HUD standard rating factors will allow HUD to rate application and further determine eligibility and establish grant amounts. Applicants applying for HUD competitive funds are required to respond to these five rating factors in narrative form. These narratives will complement the currently approved budget summary form, and allow HUD to determine if applicants are proposing projects within statutory and regulatory limitations. The five HUD standard rating factors include: Factor 1: Capacity of the Applicant and Relevant Organizational Staff; Factor 2: Need/Extent of the Problem; Factor 3: Soundness of Approach; Factor 4: Leveraging Resources; and Factor 5: Achieving Results and Program Evaluation. New HOPWA competitive applicants will be required to respond to each rating factor within the page limits establish in the grant solicitation. HOPWA renewal applicants will also be required to respond with narratives, but the information will be more limited and focused on continued compliance with the HOPWA program activities originally awarded until their initial grant application.

The reporting and recordkeeping for both HOPWA formula and competitive grant programs are also included in this approval. Technical edits are proposed for forms HUD-40110-C and HUD-40110-D, and are limited to updating outdated references and information currently contained in the forms. Grantees provide annual information on program accomplishments that supports program evaluation and the ability to measure program beneficiary outcomes
