Final Results of the Review

The dumping margins for the final results of this administrative review are as follows:

Exporter	Weighted-average margin (dollars/kilogram) ⁶
Pacific Accelerator Limited ...	\$0.00

Disclosure

The Department will disclose calculations performed for these final results to the parties within five days of the date of publication of this notice, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), the Department will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this administrative review.

In accordance with 19 CFR 351.212(b)(1), we are calculating importer- (or customer-) specific assessment rates for the merchandise subject to this review. For assessment purposes, we calculated a per-unit rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total sales quantity associated with those transactions. We will direct CBP to assess the resulting per-unit rate against the entered quantity of the subject

⁶ Consistent with Comment V in the I&D Memo, the Department has determined that it will calculate per-unit assessment and cash deposit rates.

merchandise.⁷ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer- (or customer-) specific assessment rate is above *de minimis*. Where an importer- (or customer-) specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results, as provided for by section 751(a)(2)(C) of the Act: (1) For the exporter listed above, the cash deposit rate will be the rate established in the final results of review; (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-wide entity, which is 128.94 percent;⁸ and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. The cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Certain Oil Country Tubular Goods From India: Amendment of Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

SUMMARY: On March 16, 2017, the United States Court of International Trade (CIT) entered final judgment sustaining the final results of remand redetermination pursuant to court order by the Department of Commerce (Department) pertaining to the less-than-

The Department previously notified the public that the final judgment in this case is not in harmony with the Department's final determination in the LTFV investigation of OCTG from India. Because the judgement in this case is final and conclusive, the Department is now amending its antidumping duty order on OCTG from India covering the period of investigation (POI) of July 1, 2012, through June 30, 2013, to exclude GVN Fuels Limited (GVN) from the order and revise the dumping margin for Jindal SAW, Limited (Jindal SAW).
