Management Information System (RHY-HMIS)

Description: The Runaway and Homeless Youth (RHY) Act, as amended by Public Law 106-71 (42 U.S.C. 5701 *et seq.*), mandates that the Department of Health and Human Services (HHS) report regularly to Congress on the status of HHS-funded programs serving runaway and homeless youth. Organizations funded under the Runaway and Homeless Youth program are required by statute (42 U.S.C. 5712, 42 U.S.C. 5714-2) to meet certain data collection and reporting requirements. These requirements include maintenance of client statistical records on the number and the characteristics of

the runaway and homeless youth, and youth at risk of family separation, who participate in the project, and the services provided to such youth by the project.

Respondents: The respondents are the youth who are recipients of services from RHY program grants, which are made up of States, localities, private entities and coordinated networks of such entities. Typical respondents are the youth that participate in the Basic Center, Transitional Living/Maternity Group Home, and Street Outreach programs.
