DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Nomination Process for National Marine Sanctuaries.

OMB Control Number: 0648-0682.

Form Number(s): None.

Type of Request: Regular (extension of a currently approved information collection).

Number of Respondents: 10.

Average Hours per Response: Four hours for collecting information for nomination; 20 hours for gathering public support and organizing community meetings; 2 hours each for public meetings; and for writing and submitting nomination request; 30 minutes each for amendments to the nomination and for follow-up requests.

Burden Hours: 290.

Needs and Uses: This request is for extension of a currently approved information collection.

National marine sanctuary regulations provide that the public may nominate special places of the marine environment through the sanctuary nomination process (15 CFR part 922). Persons wanting to submit nominations for consideration should submit information on the qualifying criteria and management considerations for the site to be nominated. The Office of National Marine Sanctuaries reviews the submissions, which could result in the nomination being added to an inventory of areas that NOAA may consider for

sanctuary designation at some point in the future. Sanctuary designation is a separate public process that would be conducted pursuant to the requirements of the National Marine Sanctuaries Act, and all other applicable laws and executive orders.

Affected Public: Individuals or households; business or other for-profit organizations; not-for-profit institutions; state, local or tribal governments.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at *reginfo.gov*. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to *OIRA_Submission@omb.eop.gov* or fax to (202) 395-5806.

Dated: June 19, 2017.

Sarah Brabson,

NOAA PRA Clearance Officer.

United States Integrated Ocean Observing System Advisory Committee

AGENCY: National Ocean Service, National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Notice of new member solicitation for the United States Integrated Ocean Observing System (U.S. IOOS) Advisory Committee.

SUMMARY: The National Oceanic and Atmospheric Administration (NOAA) is soliciting applications for membership on the United States Integrated Ocean Observing System Advisory Committee (the Committee), which is a Federal advisory committee. Members of the Committee will fulfill the requirements of the Integrated Coastal and Ocean Observation System Act of 2009 (the Act). The Committee provides advice to the Under Secretary of Commerce for Oceans and Atmosphere and to the Interagency Ocean Observation Committee on the planning, integrated design, operation, maintenance, enhancement, and expansion of the United States Integrated Ocean Observing System (U.S. IOOS). U.S. IOOS promotes research to develop,

test, and deploy innovations and improvements in coastal and ocean observation technologies and modeling systems, addresses regional and national needs for ocean information, gathers data on key coastal, ocean, and Great Lakes variables and ensures timely and sustained dissemination and availability of these data for societal benefits. U.S. IOOS benefits national safety, the economy, and the environment through support for national defense, marine commerce and forecasting, navigation safety, weather, climate, energy siting and production, economic development, ecosystem-based management of marine and coastal areas, conservation of ocean and coastal resources and public safety.

The Act requires the establishment and administration of this Committee by the Under Secretary of Commerce for Oceans and Atmosphere. NOAA will hereby accept applications for membership on the Committee through September 20, 2017. Applications received after September 20, 2017 may not be considered during this membership application cycle, but may be considered for future membership cycles. The Act states: "Members shall be qualified by education, training, and experience to evaluate scientific and technical information related to the design, operation, maintenance, or use of the [Integrated Ocean Observing] System, or use of data products provided through the System." NOAA encourages individuals with expertise in oceanographic data, products, and services; coastal management; fisheries management; coastal and marine spatial planning; geodesy; water levels; and other science-related fields to submit applications for Committee membership. To apply for membership on the Committee, applicants should submit a resume as indicated in the **ADDRESSES** section. NOAA is an equal-opportunity employer.

DATES: Application materials should be sent to the address, email address, or fax number specified and must be received by September 20, 2017 for consideration in this membership cycle.

ADDRESSES: Submit an application for Committee membership, in the form of a resume, to Regina Evans via mail, fax, or email. Mail: 1315 East-West Highway, Station 2605, Silver Spring, MD 20910; Fax: 301-713-3281; Email: regina.evans@noaa.gov.
