DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP17–465–000]

Dominion Energy Transmission, Inc.; Notice of Request Under Blanket Authorization

Take notice that on June 16, 2017, Dominion Energy Transmission, Inc. (DETI), located at 707 East Main Street, Richmond, VA 23219, filed a prior notice request pursuant to sections 157.205 and 157.216 of the Federal Energy Regulatory Commission’s regulations under the Natural Gas Act (NGA), seeking authorization to plug and abandon “future storage” wells: JW–452F, JW–453F, and associated pipelines: JP–419, JP–421, JP–448, JP–449, JP–451, JP–453 and Meter: 5104601 located in the Oakford Storage Complex in Westmoreland County, Pennsylvania. DETI and Texas Eastern Transmission, LP jointly own the Oakford Storage Complex as tenants in common with equal undivided one-half interests. DETI is the operator of the Oakford Storage Complex and as the operator is making this filing on behalf of both parties. The certificated physical parameters, including total inventory, reservoir pressure, reservoir and buffer boundaries, and certificated capacity (including injection and withdrawal capacity) of the Oakford Storage Complex will remain unchanged, all as more fully set forth in the application, which is on file with the Commission and open to public inspection. The filing may also be viewed on the web at

<http://www.ferc.gov> using the eLibrary link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (866) 208–3676 or TTY, (202) 502–8659.

Any questions regarding this Application should be directed to Kenan W. Carioti, Regulatory & Certificates Analyst III, Dominion Energy Transmission, Inc., 707 East Main Street, Richmond, VA 23219, by phone (804) 771–4018 or by Email: Kenan.W.Carioti@DominionEnergy.com.

Any person may, within 60 days after the issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission’s Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention. Any person filing to intervene or the Commission’s staff may, pursuant to section 157.205 of the Commission’s Regulations under the NGA (18 CFR 157.205) file a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the NGA.

Pursuant to section 157.9 of the Commission’s rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: complete its environmental assessment (EA) and place it into the Commission’s public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff’s issuance of the final environmental impact statement (FEIS) or EA for this proposal. The filing of the EA in the Commission’s public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff’s FEIS or EA.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenter’s will be placed on the Commission’s

environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission’s environmental review process. Environmental commenter’s will not be required to serve copies of filed documents on all other parties. However, the non-party commentary, will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission’s final order.

The Commission strongly encourages electronic filings of comments, protests, and interventions via the internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission’s Web site (www.ferc.gov) under the e-Filing link. Persons unable to file electronically should submit an original and 5 copies of the protest or intervention to the Federal Energy regulatory Commission, 888 First Street NE., Washington, DC 20426.

Dated: June 22, 2017.

Nathaniel J. Davis, Sr.,
Deputy Secretary.

BILLING CODE 6717–01–P

ENVIRONMENTAL PROTECTION AGENCY

[FRL–9962–04–Region 5]

Proposed De minimis Settlement With Sunoco (R&M), LLC at Lammers Barrel Site in Beavercreek, Ohio

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice; request for public comment.

SUMMARY: In accordance with Section 122(i) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (“CERCLA”), notice is hereby given by the U.S. Environmental Protection Agency (“EPA”), Region 5, of a proposed *de minimis* administrative agreement under Section 122(g) of CERCLA, between EPA and Sunoco (R&M), LLC, pertaining to the Lammers Barrel Superfund Site located in the Beavercreek, Greene County, Ohio (“Site”). The settlement requires a \$85,253.85 payment by Sunoco (R&M), LLC. to the EPA Hazardous Substance Superfund Lammers Barrel Superfund Site Special Account set aside for the remedial design and remedial action

(RD/RA) work at operable unit 2 ("OU2"). Crediting the \$73,538 Sunoco (R&M), LLC previously paid to the group of parties performing work at the Site, it will have paid \$158,791.85, its fair share of cleanup costs incurred and anticipated to be incurred in the future at the Site, plus a "premium" that accounts for, among other things, uncertainties associated with the costs of future work at the Site. The payment also factors in an orphan share based on 25% of the estimated RD/RA costs at OU2. The settlement includes a covenant not to sue pursuant to Sections 106 and 107 of CERCLA, relating to the Site, subject to limited reservations, and protection from contribution actions or claims as provided by Sections 113(f)(2) and 122(g)(5) of CERCLA. For thirty (30) days following the date of publication of this notice, EPA will receive written comments relating to the settlement. EPA will consider all comments received and may modify or withdraw its consent to the settlement if comments received disclose facts or considerations that indicate that the proposed settlement is inappropriate, improper, or inadequate. EPA's response to any comments received will be available for public inspection at EPA Region 5, 77 West Jackson Blvd., Chicago, IL 60604.

DATES: Comments must be submitted on or before July 28, 2017.

ADDRESSES: The proposed settlement is available for public inspection at EPA Region 5 offices at 77 West Jackson Blvd., Chicago, IL 60604. A copy of the proposed settlement may be obtained from Maria Gonzalez, Associate Regional Counsel, Region 5, 77 West Jackson Blvd., mail code: C-14J, Chicago, IL 60604. Comments should reference the Lammers Barrel Superfund Site, and EPA Docket No. V-W-17-C-006 and should be addressed to Maria Gonzalez, Associate Regional Counsel, EPA, Office of Regional Counsel, Region 5, 77 West Jackson Blvd., mail code: C-14J, Chicago, IL 60604.

FOR FURTHER INFORMATION CONTACT: Maria Gonzalez, Associate Regional Counsel, EPA, Office of Regional Counsel, Region 5, 77 West Jackson Blvd., mail code: C-14J, Chicago, IL 60604. Telephone: 312-886-6630. E-Mail: gonzalez.maria@epa.gov.

SUPPLEMENTARY INFORMATION: EPA executed a Consent Decree with Sixteen major parties, the owner, twenty-one *de minimis* parties, and two Federal agencies that was entered on April 22, 2014, after public comment (the Consent Decree). The Consent Decree addressed the remedial design and remedial action at OU1 of the Site as well as *de minimis*

settlement. EPA previously issued an administrative order on consent for a remedial investigation and feasibility study (RI/FS) in 2002, and amended it in 2008, to add more parties. The group is conducting the RD/RA at OU2 and continues the RI/FS at OU1. EPA brought a cost recovery action against two other parties Sunoco, Inc. and Dayton Industrial Drums, Inc. in 2016. The proposed settlement does not cover those parties.

Dated: April 21, 2017.

Margaret M. Guerriero,
Acting Director, Superfund Division.

BILLING CODE 6560-50-P

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0055]

Information Collection Being Reviewed by the Federal Communications Commission Under Delegate Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written comments should be submitted on or before August 28, 2017. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contacts below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email: PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION: As part of its continuing effort to reduce paperwork burdens, and as required by the PRA, 44 U.S.C. 3501-3520, the FCC invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

OMB Control Number: 3060-0055.

Title: Application for Cable Television Relay Service Station License, FCC Form 327.

Form Number: FCC Form 327.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities; Not-for-profit institutions.

Number of Respondents and Responses: 400 respondents; 400 responses.

Estimated Time per Response: 3.166 hours.

Frequency of Response: On occasion reporting requirement; Every 5 years reporting requirement.

Total Annual Burden: 1,266 hours.

Total Annual Costs: \$98,000.

Obligation To Respond: Required to obtain or retain benefits. The statutory authority for this collection of information is contained in Sections 154(i), 308 and 309 of the Communications Act of 1934, as amended.
