Preparation and Comment on the Draft Report

In consultation with ODOT, FHWA prepared a draft audit report and provided this draft to ODOT for a 14-day review and comment period. After considering ODOT's comments, FHWA published a notice in the **Federal Register** on March 16, 2017, soliciting public comment for 30-days, pursuant to 23 U.S.C. 327(g). This notice is available at 82 FR 14096.

Finalization of Report

The FHWA received comments on the draft report from the American Road & Transportation Builders Association (ARTBA). The ARTBA's comments were supportive of the Surface Transportation Project Delivery Program and did not relate specifically to Audit #1. The team has considered these comments in finalizing this audit report.

Since the completion of this report, staff from ODOT and FHWA have established quarterly partnering sessions where observations and other issues relating to NEPA assignment are being discussed, clarified, and resolved.
