Disabled and Low-Income Veterans Housing Rehabilitation and Modification Pilot Program; Solicitation of Comments on Program Design

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Advance notice and request for comments.

SUMMARY: This notice announces HUD's intention to develop a Notice of Funding Availability (NOFA) for the Disabled and Low-Income Veterans Housing Rehabilitation and Modification Pilot Program (Program), which was authorized by the Carl Levin and Howard P. "Buck" McKeon National Defense Authorization Act for Fiscal Year 2015 and funded by the Consolidated Appropriations Act, 2016. The NOFA will announce the availability of up to \$5.7 million to be competitively awarded through grants of up to \$1 million each. The NOFA will also establish the applicable program requirements and selection criteria. HUD is seeking input from interested parties and stakeholders to inform its development of the Program so that the funds are used efficiently and fulfill the statutory purpose of addressing the housing needs of veterans who have disabilities and/or are low-income. This notice is not a solicitation of applications for the Program.

DATES: *Comments Due Date:* September 11, 2017.

ADDRESSES: Electronic responses are preferred and should be addressed to: rhed@hud.gov. Written comments may also be submitted to the Office of Rural Housing and Economic Development, U.S. Department of Housing and Urban Development, 451 Seventh St. SW., Room 7240, Washington, DC 20410.

SUPPLEMENTARY INFORMATION: The Carl Levin and Howard P. "Buck" McKeon National Defense Authorization Act for Fiscal Year 2015 (Pub. L. 113-291, approved December 19, 2014) (Program Statute), as amended, requires HUD to work in consultation with the U.S. Department of Veterans Affairs (VA) to establish and oversee a pilot program to award grants to qualified organizations to rehabilitate and modify the primary residences of disabled and/or low-income veterans. Funding for the program was provided by the Consolidated Appropriations Act, 2016 (Pub. L. 114-113, approved December 18, 2015). Grants under the program

will be competitively awarded in accordance with statutory criteria and program requirements included in the NOFA.

As part of HUD's continued efforts for transparency in government operations and to expand opportunities for stakeholders to engage in decision-making, HUD is seeking comments to inform the NOFA. Feedback received through this process will assist HUD and the VA in developing a NOFA that will best serve disabled and/or low-income veterans whose homes must be rehabilitated or modified to meet their needs.

To be considered, suggestions for program design must be consistent with the requirements in the Program Statute and other applicable laws. The goal of the program is to address the housing needs of veterans, as defined by 38 U.S.C. 101, who have a disability, as defined by 42 U.S.C. 12102, and/or are low-income, meaning their income does not exceed 80 percent of the median income for the area as determined by the Secretary. For Fiscal Year (FY) 2017, the income limits are available at: <https://www.huduser.gov/portal/datasets/il/il17/Section8-IncomeLimits-FY17.pdf>. Eligible grantees are nonprofit organizations that provide nationwide or statewide programs that primarily serve veterans or low-income individuals. The grants may be used to modify or rehabilitate eligible veterans' primary residences or to provide grantees' affiliates with technical, administrative, and training support in connection with those services. Further details on the eligible use of funds under the Program may be found in section 1079(b)(3) of the Program Statute.

Grantees will be required to modify or rehabilitate the primary residences of eligible veterans either at no cost to the veterans (including application fees) or at a cost such that the veterans pay no more than 30 percent of their incomes on housing costs during any month. However, these services can only be provided if the veteran or a member of the veteran's family certifies that the veteran intends to continue residing in the primary residence for a sufficient period of time, which HUD will establish in the NOFA. In addition, section 1079(a)(6) of the Program Statute specifically defines what is considered a "primary residence."

Section 1079(b)(2) of Program Statute specifies minimum contents for grant applications and allows HUD to require additional information, if reasonable. The minimum contents include:

1. A plan of action detailing outreach initiatives;
