[Release No. 34–81106; File No. SR–ISE–2017–63]

Self-Regulatory Organizations; Nasdaq ISE, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Eliminate Fees and Rebates for Trades in KANG Executed on June 27–30, 2017

July 10, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on June 27, 2017, Nasdaq ISE, LLC (“ISE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Schedule of Fees to eliminate fees and rebates for trades in iKang Healthcare Group Inc (“KANG”) executed on June 27–30, 2017.

The text of the proposed rule change is available on the Exchange’s Web site at www.ise.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend the Schedule of Fees

to eliminate fees and rebates for trades in KANG executed on June 27–30, 2017.³ This change is being made in connection with the migration of the Exchange’s trading system to the Nasdaq INET technology, which began on June 12, 2017.⁴ Earlier this month, the Exchange filed a proposed rule change that eliminated fees and rebates during the initial launch period for trades in FX Options that began trading on INET with the launch of the re-platformed trading system.⁵ The Exchange now proposes to similarly eliminate fees and rebates for trades in KANG executed on the INET trading system from June 27–30, 2017. With this change, no fees or rebates will be charged for executions on INET during the month of June. Because the Exchange is eliminating fees and rebates for trades in KANG, during this period trades in KANG will not be counted towards a member’s tier for June activity. The proposed change would allow the Exchange to bill June fees solely based on activity traded on the current T7 trading system, and is an inducement for members to trade the first symbols launched on the INET trading system as there would be no transaction fees for doing so.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁶ in general, and Section 6(b)(4) of the Act,⁷ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

The Exchange believes that it is reasonable and equitable to eliminate fees and rebates in KANG during the initial launch of the Exchange’s re-platformed trading system. Eliminating fees and rebates in this symbol during the launch will simplify the Exchange’s billing and serve as an inducement for members to trade the first symbols migrated to the INET trading system. Because the Exchange is offering free executions in this symbol, volume executed in KANG on June 27–30, 2017 will not be counted towards any volume based tiers. Similar treatment was afforded to the first symbol launched on the Nasdaq GEMX, LLC INET trading

³ KANG will begin trading on INET on June 27, 2017, and is a Non-Select Symbol. “Non-Select Symbols” are options overlying all symbols excluding Select Symbols.

system,⁸ and also to FX Options traded on ISE INET during the launch.⁹ The Exchange believes that these two changes will be attractive to members that trade on the new INET trading system. The Exchange also believes that this proposed change is not unfairly discriminatory as it will apply to trades in KANG that are executed by all members. As noted above, KANG was selected for this treatment as this symbol, together with the Exchange’s proprietary FX Options, will be the first symbols traded on the INET trading system.

B. Self-Regulatory Organization’s Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,¹⁰ the Exchange does not believe that the proposed rule change will impose any burden on intermarket or intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is intended to ease members’ transition to the re-platformed INET trading system and is not designed to have any significant competitive impact. The Exchange operates in a highly competitive market in which market participants can readily direct their order flow to competing venues. In such an environment, the Exchange must continually review, and consider adjusting, its fees and rebates to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed fee changes reflect this competitive environment.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act,¹¹ and Rule 19b–4(f)(2)¹² thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public

[Release No. 34-81110; File No. SR-NYSE-2017-24]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Designation of a Longer Period for Commission Action on a Proposed Rule Change To Adopt Rule 6900 To Establish the Procedures for Resolving Potential Disputes Related to CAT Fees Charged to Industry Members

July 10, 2017.

On May 16, 2017, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act" or "Exchange Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to adopt Rule 6900 (Consolidated Audit Trail—Fee Dispute Resolutions). The proposed rule change was published for comment in the **Federal Register** on June 1, 2017.³ The Commission received no comment letters on the proposed rule change.

Section 19(b)(2) of the Act⁴ provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The Commission is extending this 45-day time period.

The Commission finds that it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to consider the proposed

rule change. The proposed rule change would establish the procedures for resolving potential disputes related to CAT Fees charged to Industry Members.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁵ designates August 30, 2017, as the date by which the Commission should either approve or disapprove or institute proceedings to determine whether to disapprove the proposed rule change (File Number SR-NYSE-2017-24).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁶

Assistant Secretary.
