

meeting, but anyone submitting written comments after September 12, 2017, should contact the DFO listed under **FOR FURTHER INFORMATION CONTACT**. Anyone submitting written comments at the meeting should bring fifteen (15) copies for distribution to the e-Manifest Advisory Board.

2. *Oral comments.* The Agency encourages each individual or group wishing to make brief oral comments to the e-Manifest Advisory Board to submit their request to the DFO listed under **FOR FURTHER INFORMATION CONTACT** on or before September 19, 2017, in order to be included on the meeting agenda. Requests to present oral comments will be accepted until the date of the meeting. To the extent that time permits, the Chair of the e-Manifest Advisory Board may permit the presentation of oral comments at the meeting by interested persons who have not previously requested time. The request should identify the name of the individual making the presentation, the organization (if any) that the individual represents, and any requirements for audiovisual equipment. Oral comments before the e-Manifest Advisory Board are limited to approximately five (5) minutes unless prior arrangements have been made. In addition, each speaker should bring fifteen (15) copies of his or her comments and presentation for distribution to the e-Manifest Advisory Board at the meeting.

3. *Seating at the meeting.* Seating at the meeting will be open and on a first-come basis.

C. Purpose of the e-Manifest Advisory Board

The Hazardous Waste Electronic Manifest System Advisory Board is established in accordance with the provisions of the Hazardous Waste Electronic Manifest Establishment Act, 42 U.S.C. 6939g, and the Federal Advisory Committee Act (FACA), 5 U.S.C. App.2. The e-Manifest Advisory Board is in the public interest and supports the Environmental Protection Agency in performing its duties and responsibilities.

The e-Manifest Advisory Board will provide recommendations on matters related to the operational activities, functions, policies, and regulations of the EPA under the e-Manifest Act, including:

- The effectiveness of the e-Manifest IT system and associated user fees and processes;
- Matters and policies related to the e-Manifest program;
- Regulations and guidance as required by the e-Manifest Act;

- Actions to encourage the use of the electronic (paperless) system;
- Changes to the user fees as described in e-Manifest Act Section 2 (c)(3)(B)(i); and

• Issues in the e-Manifest area, including those identified in the EPA's E-Enterprise strategy that intersect with the e-Manifest system, such as:

- Business-to-business communications;
- Performance standards for mobile devices; and
- The EPA's Cross Media Electronic Reporting Rule (CROMERR) requirements.

The sole duty of the Advisory Board is to provide advice and recommendations to the EPA Administrator. As required by the e-Manifest Act, the e-Manifest Advisory Board will be composed of nine (9) members. One (1) member will be the EPA Administrator (or a designee), who will serve as Chairperson of the Advisory Board. The rest of the committee will be composed of:

- At least two (2) members who have expertise in information technology;
- At least three (3) members who have experience in using or represent users of the manifest system to track the transportation of hazardous waste under the e-Manifest Act;
- At least three (3) members who will be state representatives responsible for processing e-manifests.

All members of the e-Manifest Advisory Board, with the exception of the EPA Administrator, will be appointed as Special Government Employees or representatives.

D. Public Meeting

The EPA is on schedule to launch the hazardous waste electronic manifest (e-Manifest) system in June 2018. Manifest users who intend to track their hazardous waste shipments electronically or access manifest data from the e-Manifest system should register with the EPA prior to system launch. The EPA will hold a three-day Federal Advisory Committee meeting on September 26–28, 2017, to address user registration and account activation issues that need resolution prior to launching the e-Manifest system. Specifically, the Advisory Board will provide recommendations to the EPA on the process the EPA should use to register and activate user accounts and electronic signature agreements (ESAs) for the e-Manifest System.

E. e-Manifest Advisory Board Documents and Meeting Minutes

The EPA's background paper, related supporting materials, charge/questions

to the Advisory Board, the Advisory Board roster (*i.e.*, members attending this meeting), and the meeting agenda will be available by approximately late August 2017. In addition, the Agency may provide additional background documents as the materials become available. You may obtain electronic copies of these documents, and certain other related documents that might be available at <http://www.regulations.gov> and the e-Manifest Advisory Board Web site at: <https://www.epa.gov/hwgenerators/hazardous-waste-electronic-manifest-system-e-manifest>. The e-Manifest Advisory Board will prepare meeting minutes summarizing its recommendations to the Agency approximately ninety (90) days after the meeting. The meeting minutes will be posted on the e-Manifest Advisory Board Web site or may be obtained from the docket at <http://www.regulations.gov>.

Dated: June 15, 2017.

ENVIRONMENTAL PROTECTION AGENCY

[EPA-R04-OAR-2016-0667; FRL-9960-41-Region 4]

Notice of Issuance and Notice of Rescission of Outer Continental Shelf Air Permits

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of final actions.

SUMMARY: This notice is to announce that the Environmental Protection Agency (EPA) issued a final Outer Continental Shelf (OCS) air permit numbered OCS-EPA-R4021 to Anadarko Petroleum Corporation (Anadarko) on December 20, 2016. In addition, the EPA is providing notice that, at the permittee's request, EPA rescinded an OCS permit numbered OCS-EPA-R4012 on March 23, 2016, for Statoil Gulf Services LLC (Statoil).

ADDRESSES: The final permits and supporting information are available at <https://www.epa.gov/caa-permitting/outer-continental-shelf-ocs-permit-activity-southeastern-us>. These materials are also available for review at the EPA Region 4 Office and upon request in writing. The EPA requests that you contact the person listed in the **FOR FURTHER INFORMATION CONTACT**

section to schedule an inspection of these materials or to submit a written request for copies of these materials. The Regional Office's official hours of business are Monday through Friday, 8:30 a.m. to 4:30 p.m., excluding Federal holidays.

FOR FURTHER INFORMATION CONTACT: Ms. Kelly Fortin, Air Permitting Section, Air, Pesticides and Toxics Management Division, Region 4, U.S. Environmental Protection Agency, 61 Forsyth Street SW., Atlanta, Georgia 30303-8960. Ms. Fortin can be reached by phone at (404) 562-9117 and via electronic mail at fortin.kelly@epa.gov.

SUPPLEMENTARY INFORMATION: On November 14, 2016, EPA requested public comments on the proposed OCS air permit numbered OCS-EPA-R4021 for the Anadarko Bob Douglas project. During the public comment period, which ended on December 14, 2016, the EPA did not receive any comments.

After consideration of the pertinent federal statutes and regulations, the application and supplemental information submitted by the applicant, and additional material relevant to the application contained in the Administrative Record, the EPA made a final determination on December 20, 2016, in accordance with 40 CFR parts 55 and 71 to issue the final air permit. Because no comments were filed, the Anadarko permit became effective on December 20, 2016. See 40 CFR 71.11(i)(iii), 40 CFR 124.15(b)(3).

In addition, on December 29, 2015, EPA received a request from Statoil for EPA to rescind OCS permit OCS-EPA-R4012 as Statoil was no longer conducting exploratory drilling operations pursuant to this permit. Pursuant to Statoil's request and 40 CFR part 55, EPA terminated Statoil's OCS permit on March 23, 2016.

EPA must follow the administrative procedures of 40 CFR part 71 when issuing permits to OCS sources subject to Title V requirements such as the Anadarko and Statoil sources identified above. See 40 CFR 71.4(d). Prior to November 17, 2016, EPA was also required to follow the administrative procedures in 40 CFR part 124 used to issue Prevention of Significant Deterioration permits when processing OCS permit applications under Part 55, including OCS permit applications for sources subject to Title V requirements.¹

¹ Effective November 17, 2016, EPA must follow the applicable procedures of 40 CFR part 71 or part 124 in processing OCS permit applications under 40 CFR part 55. See 40 CFR 55.6(a)(3), 81 FR 71613 (October 18, 2016). Prior to this effective date, EPA was required to follow the applicable procedures of 40 CFR part 124 when processing such applications and also required to follow the procedures of 40

Under 40 CFR 124.19(l)(3) and 40 CFR 71.11(l)(7), notice of any final Agency action regarding a subject permit must be published in the **Federal Register**. Section 307(b)(1) of the Clean Air Act (CAA) provides for review of final Agency action that is locally or regionally applicable in the United States Court of Appeals for the appropriate circuit. Such a petition for review of final Agency action must be filed on or before 11:59 p.m. on the 60th day from the date of notice of such action in the **Federal Register**.

Dated: March 14, 2017.

Beverly H. Banister,

Director, Air, Pesticides, and Toxics, Management Division, Region 4.

Editorial note: This document was received for publication by the Office of the Federal Register on July 11, 2017.

SUPPLEMENTARY INFORMATION:

Requests for Comments

Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104-13), the Commission invites the general public and other Federal agencies to comment on a proposed information collection. On September 3, 2015, the Commission published a 60-day notice and request for comments in the **Federal Register** (80 FR 53310) regarding the agency's request for an approval from OMB for a new OMB control number as required by the Paperwork Reduction Act of 1995 (PRA). The Commission received no comments on the request for OMB clearance. The 60-day notice originally announced plans to submit a Generic Information Collection Request to OMB. However, after further consultation with OMB, the Commission gives notice of its plan to submit a request to approve a regular collection, and again invites comment on this information collection. The Commission solicits written comments from all interested persons about the proposed new OMB control number. The Commission specifically solicits information relevant to the following topics: (1) Whether the collection of information described below is necessary for the proper performance of the Commission's functions, including whether the information would have practical utility; (2) whether the estimated burden of the proposed collection of information is accurate; (3) whether the quality, utility, and clarity of the information to be collected could be enhanced; and (4) whether the burden imposed by the collection of information could be minimized by use of automated, electronic, or other forms of information technology.
