SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-81139; File No. SR-FINRA-2017-024]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Update Rule Cross-References and Make Non-Substantive Technical Changes to FINRA Rules

July 13, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 30, 2017, Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

FINRA is proposing to update cross-references and make other non-substantive changes within FINRA rules.

The text of the proposed rule change is available on FINRA's Web site at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On October 18, 2016, the SEC approved changes to FINRA Rule 6730 (Transaction Reporting) to expand the Trade Reporting and Compliance Engine ("TRACE") reporting rules to include most secondary market transactions in marketable U.S. Treasury securities.⁴ The rule change requires all FINRA members involved in transactions in U.S. Treasury Securities, as defined in the TRACE rules, to report most transactions in those securities to TRACE. The rule change further requires Reportable TRACE Transactions in U.S. Treasury Securities generally to be reported on the same day as the transaction on an end-of-day basis. Because FINRA is not currently proposing to disseminate any trade-level information to the public regarding transactions in U.S. Treasury Securities, the rule change generally imposed a same-day reporting requirement as opposed to a more immediate requirement, such as 15 minutes. The

² 17 CFR 240.19b-4.

³ 17 CFR 240.19b-4(f)(6).

⁴ See Securities Exchange Act Release No. 79116 (October 18, 2016), 81 FR 73167 (October 24, 2016) (Notice of Filing and Order Granting Accelerated Approval of File No. SR-FINRA-2016-027).

¹⁴ 15 U.S.C. 78s(b)(3)(A)(ii).

implementation date for the changes is July 10, 2017.⁵

The proposed rule change would update the cross reference in FINRA Rule 6730(a)(1) to clarify that Reportable TRACE Transactions in U.S. Treasury Securities are not subject to the 15-minute reporting requirement.

In addition, the proposed rule change would make technical changes to FINRA Rule 6810 (Definitions)⁶ to reflect FINRA Manual style convention changes.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, so that FINRA can implement the proposed rule change to coincide with effective dates of the affected rule. The implementation date for the proposed changes to FINRA Rule 6730 will be July 10, 2017, to coincide with the implementation date of earlier changes to the rule.⁷ The implementation date for the proposed changes to FINRA Rule 6810 will be the date of filing.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁸ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes the proposed rule change will provide greater clarity to members and the public regarding FINRA's rules by amending the references in Rule 6810 to conform to FINRA's style conventions and by clarifying in Rule 6730 that Reportable TRACE Transactions in U.S. Treasury Securities are not subject to the 15-minute reporting requirement.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change brings clarity and consistency to FINRA rules without adding any burden on firms.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁰

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative before 30 days from the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest.

The Exchange has asked the Commission to waive the 30-day operative delay. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. The waiver will allow FINRA to update the cross reference in FINRA Rule 6730 to coincide with the implementation date of that rule, which is July 10, 2017. The implementation date for the proposed changes to FINRA Rule 6810 is June 30, 2017, the date FINRA filed the instant proposed rule change. Therefore, the Commission hereby waives the 30-day operative delay and designates the proposed rule change to be operative upon filing with the Commission.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings

to determine whether the proposed rule should be approved or disapproved.

Summary of the Application

1. Applicants request an order that would allow Funds to operate as actively-managed exchange traded funds (“ETFs”).¹ Fund shares will be

¹ Applicants request that the order apply to future series of the Trust or of other open-end management investment companies that currently exist or that may be created in the future (each, included in the term “Fund”), each of which will operate as an actively-managed ETF. Any Fund will (a) be advised by the Initial Adviser or an entity controlling, controlled by, or under common control with the Initial Adviser (each such entity or any successor thereto is included in the term “Adviser”) and (b) comply with the terms and conditions of the application. For purposes of the requested order, the term “successor” is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization.

purchased and redeemed at their NAV in Creation Units only. All orders to purchase Creation Units and all redemption requests will be placed by or through an “Authorized Participant,” which will have signed a participant agreement with a broker-dealer registered under the Securities Exchange Act of 1934 (“Exchange Act”) (together with any future distributor, the “Distributor”). Shares will be listed and traded individually on a national securities exchange, where share prices will be based on the current bid/offer market. Certain Funds may operate as Feeder Funds in a master-feeder structure. Any order granting the requested relief would be subject to the terms and conditions stated in the application.

2. Each Fund will consist of a portfolio of securities and other assets and investment positions (“Portfolio Positions”). Each Fund will disclose on its Web site the identities and quantities of the Portfolio Positions that will form the basis for the Fund’s calculation of NAV at the end of the day.

3. Shares will be purchased and redeemed in Creation Units and generally on an in-kind basis. Except where the purchase or redemption will include cash under the limited circumstances specified in the application, purchasers will be required to purchase Creation Units by depositing specified instruments (“Deposit Instruments”), and shareholders redeeming their shares will receive specified instruments (“Redemption Instruments”). The Deposit Instruments and the Redemption Instruments will each correspond pro rata to the positions in the Fund’s portfolio (including cash positions) except as specified in the application.

4. Because shares will not be individually redeemable, applicants request an exemption from section 5(a)(1) and section 2(a)(32) of the Act that would permit the Funds to register as open-end management investment companies and issue shares that are redeemable in Creation Units only.

5. Applicants also request an exemption from section 22(d) of the Act and rule 22c-1 under the Act as secondary market trading in shares will take place at negotiated prices, not at a current offering price described in a Fund’s prospectus, and not at a price based on NAV. Applicants state that (a) secondary market trading in shares does not involve a Fund as a party and will not result in dilution of an investment in shares, and (b) to the extent different prices exist during a given trading day, or from day to day, such variances occur
