BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG-2017-0706]

Security Zones; Seattle's Seafair Fleet Week Moving Vessels, 2017, Puget Sound, WA

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce Seattle's Seafair Fleet Week Moving Vessels security zones from 10 a.m. on Aug 1, 2017, through 6 p.m. on August 7, 2017. These security zones are necessary to help ensure the security of the vessels from sabotage or other subversive acts during Seafair Fleet Week Parade of Ships. The designated participating vessels are: HMCS YELLOWKNIFE (MM 706), HMCS EDMONTON (MM 703), and USCGC MELLON (WHEC 717). During the enforcement period, no person or vessel may enter or remain in the security zones without the permission of the Captain of the Port (COTP), Puget Sound or her designated representative. The COTP has granted general permission for vessels to enter the outer 400 yards of the security zones as long as those vessels within the outer 400 yards of the security zones operate at the minimum speed necessary to maintain course unless required to maintain speed by the navigation rules.

DATES: The regulations in 33 CFR 165.1333 will be enforced from 10 a.m. on August 1, 2017, through 6 p.m. on August 7, 2017.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice of enforcement, call or email Petty Officer Zachary Spence, Sector Puget Sound Waterways Management Division, Coast Guard; telephone 206-217-6051, email SectorPugetSoundWWM@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the security zones for Seattle's Seafair Fleet Week Moving Vessels in 33 CFR 165.1333 from 10 a.m. on August 1, 2017, through 6 p.m. on August 7, 2017.

In accordance with the general regulations in 33 CFR part 165, subpart

D, no person or vessel may enter or remain in the security zones without the permission of the Captain of the Port, Puget Sound or her designated representative. For the purposes of this rule, the following areas are security zones: All navigable waters within 500 yards of HMCS YELLOWKNIFE (MM 706), HMCS EDMONTON (MM 703), and USCGC MELLON (WHEC 717) while each such vessel is in the Sector Puget Sound COTP Zone.

The COTP has granted general permission for vessels to enter the outer 400 yards of the security zones as long as those vessels within the outer 400 yards of the security zones operate at the minimum speed necessary to maintain course unless required to maintain speed by the navigation rules. The COTP may be assisted by other federal, state or local agencies with the enforcement of the security zones.

All vessel operators who desire to enter the inner 100 yards of the security zones or transit the outer 400 yards at greater than minimum speed necessary to maintain course must obtain permission from the COTP or her designated representative by contacting the on-scene patrol craft on VHF 13 or Ch 16. Requests must include the reason why movement within this area is necessary. Vessel operators granted permission to enter the security zones will be escorted by the on-scene patrol craft until they are outside of the security zones.

This notice of enforcement is issued under authority of 33 CFR 165.1333 and 5 U.S.C. 552(a). In addition to this notice of enforcement, the Coast Guard will provide the maritime community with advanced notification of the security zones via the Local Notice to Mariners and marine information broadcasts on the day of the event. If the COTP determines that the security zones need not be enforced for the full duration stated in this notice of enforcement, he may use a Broadcast Notice to Mariners to grant general permission to enter all portions of the regulated areas.

Dated: July 17, 2017.

M.M. Balding,

Captain, U.S. Coast Guard, Acting, Captain of the Port Puget Sound.

BILLING CODE 9110-04-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 63

[EPA-HQ-OAR-2010-1042; FRL-9964-89-OAR]

RIN 2060-AT58

National Emission Standards for Hazardous Air Pollutants for Wool Fiberglass Manufacturing; Flame Attenuation Lines

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: The Environmental Protection Agency (EPA) is taking direct final action to amend the national emission standards for hazardous air pollutants for flame attenuation (FA) lines in the wool fiberglass manufacturing industry. This direct final rule provides affected sources a 1-year extension to comply with the emission limits for FA lines. The EPA can provide sources up to 3 years to comply with emission limits in the Clean Air Act (CAA) standards. FA lines initially were given 2 years to comply with the emission limits. This action will extend the compliance date to the maximum of 3 years while we conduct our review. This compliance date extension will enable the EPA to conduct a review of the emission limits for FA lines in light of recently submitted corrected source emissions data.

DATES: This rule is effective on October 25, 2017, without further notice, unless the EPA receives significant adverse comment by August 28, 2017, or if a public hearing is requested, by August 3, 2017.

Public Hearing. If requested by August 3, 2017, the EPA will hold a public hearing to accept oral comments on this action. EPA will publish a document in the **Federal Register** announcing the date and location if a public hearing is requested.

If the EPA receives significant adverse comment, or if a public hearing is requested, we will publish a timely withdrawal in the **Federal Register** informing the public that the rule will not take effect.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-HQ-OAR-2010-1042, at <http://www.regulations.gov>. Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or withdrawn. The EPA may publish any comment received to its public docket. Do not submit electronically any information you
