*Abstract:* The regulations at 25 CFR 36, Subpart G, Home-living Programs, implement section 1122 of the Native American Education Improvement Act of 2001 (Pub. L. 95-561, title XI, § 1120, as added Pub. L. 107-110, title X, § 1042, Jan. 8, 2002, 115 Stat. 2007). These regulations require the BIE to implement national standards for home-living situations in all BIE-funded residential schools. The BIE must collect information from all BIE-funded residential schools in order to assess each school's progress in meeting the national standards. Submission of this information allows the BIE to ensure that minimum academic standards for the education of Indian children and criteria for dormitory situations in Bureau-operated schools and Indian-controlled contract schools are met.

#### SUPPLEMENTARY INFORMATION:

##### I. Background

On December 4, 2009, the Commission published a draft NEPA manual in the **Federal Register** (74 FR 63765). The purpose of the manual was to establish the Commission's NEPA-related policies and procedures and to integrate environmental considerations into the Commission's decision-making processes. The draft manual identified one type of major federal action performed under the Indian Gaming Regulatory Act (IGRA) that triggered NEPA review, specifically, the approval of contracts for the management of Indian gaming facilities pursuant to 25 U.S.C. 2711. In addition to identifying major federal actions applicable to the Commission, the draft manual also established the Commission's NEPA-related roles and responsibilities and created a framework for the preparation of NEPA documentation appropriate for each level of environmental review.
