

program and build capacity for both permitting and enforcement functions.

IPDES Program Summary: As required under section 402(b) of the CWA, 33 U.S.C. 1342(b), and 40 CFR 123.22, the IPDES program description specifies how IDEQ will administer the NPDES program. IDEQ will issue IPDES permits under their jurisdiction; conduct compliance and enforcement activities; gather and maintain NPDES records and report to the EPA; and oversee the regulated activities of all IPDES-permitted facilities. The EPA will retain the authority to issue NPDES permits for facilities located on tribal lands and/or discharging to tribal waters. The scope of IDEQ permitting authority includes individual and general permits for discharges to waters of the United States from facilities or activities, including industrial (e.g., commercial, mining, oil and gas, and silviculture discharges; animal feeding operations; and aquatic animal production facilities) and municipal wastewater treatment facilities (e.g., publicly and privately owned treatment works); discharges to waters of the United States from federal facilities; storm water discharges, including municipal storm sewer systems (combined and separate); construction and industrial storm water general permits; and individual permits for storm water discharges; sewage sludge (biosolids) under 40 CFR part 503 and the pretreatment program under 40 CFR part 403. IDEQ's program will not include permitting of discharges incidental to the normal operation of a non-military, non-recreational vessel operating in a capacity as a means of transportation; the EPA will continue to issue permits under CWA section 402 to regulate such discharges from non-military, non-recreational vessels greater than 79 feet in length and all ballast water discharges.

IDEQ will assume permitting and compliance authority for the NPDES program in four phases. The EPA will retain full permitting and compliance authority over facilities until that authority is transferred to IDEQ in accordance with the following schedule:

Phase I—Individual Municipal Permits and Pretreatment upon gaining program authority (anticipated July 1, 2018).

Phase II—Individual Industrial Permits, one year after program authorization (anticipated July 1, 2019).

Phase III—General Permits (Aquaculture, Pesticide, CAFO, Suction Dredge, Remediation), two years after program authorization (anticipated July 1, 2020).

Phase IV—Federal Facilities, General and Individual Stormwater Permits and Biosolids, three years after program authorization (anticipated July 1, 2021).

Authority: This action is taken under the authority of section 402 of the Clean Water Act as amended, 33 U.S.C. 1342. I hereby provide public notice of the application by the State of Idaho for approval to administer the State NPDES program, in accordance with 40 CFR 123.61.

Dated: July 17, 2017.

Daniel D. Opalski,

Acting Deputy Regional Administrator, EPA, Region 10.

BILLING CODE 6560-50-P

FEDERAL COMMUNICATIONS COMMISSION

Privacy Act of 1974; Matching Program

AGENCY: Federal Communications Commission.

ACTION: Notice of a new matching program.

SUMMARY: In accordance with the *Privacy Act of 1974*, as amended (“Privacy Act”), this document announces the establishment of a computer matching program the Federal Communications Commission (“FCC” or “Commission” or “Agency”) and the Universal Service Administrative Company (USAC) will conduct with the Department of Housing and Urban Development (HUD). The purpose of this matching program is to verify the eligibility of applicants to and subscribers of the Universal Service Fund (USF) Lifeline program, which is administered by USAC under the direction of the FCC.

DATES: Written comments are due on or before September 11, 2017. This computer matching program will commence on September 11, 2017 unless comments are received that require a contrary determination.

ADDRESSES: Send comments to Mr. Leslie F. Smith, Privacy Manager, Information Technology (IT), Room 1-C216, FCC, 445 12th Street SW., Washington, DC 20554, or to Leslie.Smith@fcc.gov.

FOR FURTHER INFORMATION CONTACT: Mr. Leslie F. Smith, (202) 418-0217, or Leslie.Smith@fcc.gov.

SUPPLEMENTARY INFORMATION: The Lifeline program provides support for discounted broadband and voice services to low-income consumers. Lifeline is administered by the Universal Service Administrative Company (USAC) under FCC direction.

Consumers qualify for Lifeline through proof of income or participation in a qualifying program, such as Medicaid, the Supplemental Nutritional Assistance Program (SNAP), Federal Public Housing Assistance, Supplemental Security Income (SSI), or Veterans and Survivors Pension Benefit. In a Report and Order adopted on March 31, 2016, the Commission ordered USAC to create a National Lifeline Eligibility Verifier (“National Verifier”), including the National Lifeline Eligibility Database (LED), that would match data about Lifeline applicants and subscribers with other data sources to verify the eligibility of an applicant or subscriber. The Commission found that the National Verifier would reduce compliance costs for Lifeline service providers, improve service for Lifeline subscribers, and reduce waste, fraud, and abuse in the program.

PARTICIPATING AGENCY:

The Department of Housing and Urban Development—Enterprise Income Verification System (EIV) (HUD/PIH-05), Inventory Management System (IMS/PIC) (HUD/PIH-01), and Tenant Rental Assistance Certification Systems (TRACS) (HUD/H-11);

AUTHORITY FOR CONDUCTING THE MATCHING PROGRAM:

47 U.S.C. 254; 47 CFR 54.400 *et seq.*; *Lifeline and Link Up Reform and Modernization, et al.*, Third Report and Order, Further Report and Order, and Order on Reconsideration, 31 FCC Rcd 3962, 4006–21, paras. 126–66 (2016) (*2016 Lifeline Modernization Order*).

PURPOSE(S):

In the *2016 Lifeline Modernization Order*, the FCC required USAC to develop and operate a National Lifeline Eligibility Verifier (National Verifier) to improve efficiency and reduce waste, fraud, and abuse in the Lifeline program. The stated purpose of the National Verifier is “to increase the integrity and improve the performance of the Lifeline program for the benefit of a variety of Lifeline participants, including Lifeline providers, subscribers, states, community-based organizations, USAC, and the Commission.” 31 FCC Rcd 3962, 4006, para. 126. To help determine whether Lifeline applicants and subscribers are eligible for Lifeline benefits, the Order contemplates that a USAC-operated Lifeline Eligibility Database (LED) will communicate with information systems and databases operated by other Federal and State agencies. *Id.* at 4011–2, paras. 135–7.

CATEGORIES OF INDIVIDUALS:

The categories of individuals whose information is involved in this matching program include, but are not limited to, those individuals (residing in a single household) who have applied for Lifeline benefits; are currently receiving Lifeline benefits; are individuals who enable another individual in their household to qualify for Lifeline benefits; are minors whose status qualifies a parent or guardian for Lifeline benefits; are individuals who have received Lifeline benefits; or are individuals acting on behalf of an eligible telecommunications carrier (ETC) who have enrolled individuals in the Lifeline program.

CATEGORIES OF RECORDS:

The categories of records involved in the matching program include, but are not limited to, a Lifeline applicant or subscriber's full name; physical and mailing addresses; partial Social Security number or Tribal ID number; date of birth; qualifying person's full name (if qualifying person is different from subscriber); qualifying person's physical and mailing addresses; qualifying person's partial Social Security number or Tribal ID number, and qualifying person's date of birth. The National Verifier will transfer these data elements to the source agencies, which will respond either "yes" or "no" that the individual is enrolled in a Lifeline-qualifying assistance program.

SYSTEM(S) OF RECORDS:

The USAC records shared as part of this matching program reside in the Lifeline system of records, FCC/WCB-1, Lifeline Program, a notice of which the FCC published at 78 FR 73535 (Dec. 6, 2013). The FCC is in the process of publishing an update to this system of records that reflects the new uses involved in operating this matching program.

Federal Communications Commission.

Katura Jackson,

Federal Register Liaison Officer, Office of the Secretary.
