Carbon and Alloy Steel Wire Rod From Italy, the Republic of Korea, the Republic of South Africa, Spain, the Republic of Turkey, Ukraine and the United Kingdom: Postponement of Preliminary Determinations in the Less-Than-Fair-Value Investigations

SUPPLEMENTARY INFORMATION:

Background

On April 17, 2017, the Department of Commerce (the Department) initiated less-than-fair-value (LTFV) investigations of imports of carbon and

alloy steel wire rod (wire rod) from Italy, Korea, South Africa, Spain, Turkey, Ukraine, and the UK.¹ Currently, the preliminary determinations are due no later than September 5, 2017.²

Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary determination in a LTFV investigation within 140 days after the date on which the Department initiated the investigation. However, section 733(c)(1)(A)(b)(1) of the Act permits the Department to postpone the preliminary determination until no later than 190 days after the date on which the Department initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) the Department concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. The Department will grant the request unless it finds compelling reasons to deny the request.

On August 11, 2017, the petitioners³ submitted a timely request that the Department postpone the preliminary determinations in these LTFV investigations.⁴ The petitioners stated that they request postponement because the Department is still gathering data and questionnaire responses from the foreign producers in these investigations, and that additional time is necessary for the Department and interested parties to fully and properly analyze all questionnaire responses, and

² The statutory deadline is actually September 4, 2017, which is a federal holiday. It is the Department's practice that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

to facilitate analysis of and the submission of comments and new factual information.⁵

For the reasons stated above, and because there are no compelling reasons to deny the request, the Department, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determinations by 50 days (*i.e.*, 190 days after the date on which these investigations were initiated). As a result, the Department will issue its preliminary determinations no later than October 24, 2017. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of publication of the preliminary determinations, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: August 15, 2017.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Notice of Court Decision Not in Harmony With Final Results of Administrative Review and Notice of Amended Final Results

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On June 29, 2017, the Court of International Trade (CIT) issued its final judgment, sustaining the Department of Commerce's (the Department's) remand results pertaining to the ninth administrative review of the antidumping duty order on certain frozen warmwater shrimp from the Socialist Republic of Vietnam (Vietnam) covering the period of review (POR) of February 1, 2013, through January 31, 2014. The Department is notifying the public that the final judgment in this case is not in harmony with the final results of the ninth administrative

review,¹ and that the Department is amending the final results with respect to the labor surrogate value applied in the administrative review. The effective date of this notice is July 9, 2017.

DATES: Applicable July 9, 2017.

SUPPLEMENTARY INFORMATION:

Background

On September 15, 2015, the Department published its *Final Results*. In the *Final Results*, we relied on data from the Bangladeshi Bureau of Statistics (BBS) to value the respondents' labor consumption. Subsequently, the CIT remanded this issue to the Department for further explanation or reconsideration.² In the Remand Redetermination, the Department reconsidered its determination and found that the BBS data are not the best available information with which to value respondents' labor.³ Consequently, the Department evaluated the alternative wage rates on the record and determined that India wage rate data are the best available information for valuing labor.

In the *Final Results*, we calculated a 0.00 percent weighted-average margin for Sao Ta Foods Joint Stock Company and a 1.16 percent weighted-average margin for Thuan Phuoc Seafoods and Trading Corporation.⁴ Based on our change of the labor surrogate value, we continued to calculate a 0.00 percent weighted-average margin for Sao Ta Foods Joint Stock Company and calculated a 1.42 percent weighted-average margin for Thuan Phuoc Seafoods and Trading Corporation.⁵

Timken Notice

In its decision in *Timken*,⁶ as clarified by *Diamond Sawblades*,⁷ the Federal Circuit held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended (the Act), the Department must publish a notice of a court decision that is not "in harmony" with a Department determination and must suspend liquidation of entries pending a "conclusive" court decision.

This notice is published in fulfillment of the publication requirement of *Timken*. Accordingly, the Department will continue the suspension of liquidation of the subject merchandise at issue in the Remand Redetermination pending expiration of the period to appeal or, if appealed, a final and conclusive court decision.

Amended Final Results

Because there is now a final court decision, the Department is amending the *Final Results*. Based on the Remand Redetermination, as affirmed by the Court on June 29, 2017, the revised weighted-average dumping margin for Thuan Phuoc Seafoods and Trading Corporation for the period February 1, 2013, through January 31, 2014, is 1.42 percent. As noted above, there was no change to Sao Ta Foods Joint Stock Company's weighted-average margin from the *Final Results*; we continued to calculate a 0.00 percent weighted-average margin for Sao Ta Foods Joint Stock Company in the Remand Redetermination.

Further, for the purpose of recalculating the sample rate for the non-individually examined companies that received a separate rate and are parties to this litigation,⁸ we adjusted the Minh Phu Group's final margin from 1.39 percent⁹ to 1.53 percent;¹⁰ however, there is no effect to the Minh Phu Group's final margin of 1.39
