c) IAAME shall disclose to the Department any other situation or circumstance that may create the appearance of a conflict of interest.

2) **Liability:** IAAME agrees to maintain sufficient resources to defend challenges to its actions as an accrediting entity, including by maintaining liability insurance for its actions as an accrediting entity brought by agencies and/or persons seeking to be accredited or approved or who are accredited or approved, and to inform the Department immediately of any events that may affect its ability to defend itself (*e.g.*, change in or loss of insurance coverage, change in relevant state law). IAAME agrees that it will consult with the Department immediately if it becomes aware of any other legal proceedings related to its acts as an accrediting entity, or of any legal proceedings not related to its acts as an accrediting entity that may threaten its ability to continue to function as an accrediting entity.

Article 7

Article 9

Agreement, Scope, and Period of Performance

1) Scope:

a) This agreement is not intended to have any effect on any activities of IAAME that are not related to its

functions as an accrediting entity for adoption service providers providing adoption services in intercountry adoptions.

b) Nothing in this agreement shall be deemed to be a commitment or obligation to provide any Federal funds.

c) All accrediting entity functions and responsibilities authorized by this agreement are to occur only during the duration of this agreement.

d) Nothing in this agreement shall release IAAME from any legal requirements or responsibilities imposed on the accrediting entity by the IAA, UAA, 22 CFR part 96, or any other applicable laws or regulations.

2) **Commencement of responsibilities:** IAAME's responsibilities as an accrediting entity under Article 2 will commence upon approval by the Department of systems, procedures, and a fee schedule that, if applicable, are coordinated between IAAME and any other designated accrediting entity to ensure general consistency in accreditation systems and procedures, and general parity of fees; and, if applicable, determination by the Department of jurisdictional boundaries between IAAME and any other designated accrediting entity.

3) **Duration:** IAAME's designation as an accrediting entity and this agreement shall remain in effect for five years from signature, unless terminated earlier by the Department in conjunction with the suspension or cancellation of the designation of IAAME. The Parties may agree mutually in writing to extend the designation of the accrediting entity and the duration of this agreement. If either Party does not wish to renew the agreement, it must provide written notice no less than one year prior to the termination date, and the Parties will consult to establish a mutually agreed schedule to transfer adoption service providers to another accrediting entity, including by transferring a reasonable allocation of collected fees for the remainder of the accreditation or approval period of such adoption service providers.

4) **Changed Circumstances:** If unforeseen circumstances arise that will render IAAME unable to continue to perform its duties as an Accrediting Entity, IAAME will immediately inform the Department of State. The Parties will consult and make an effort to find a solution that will enable IAAME to continue to perform until the end of the contract period. If no such solution can be reached, the contract may be terminated on a mutually agreed date or, if mutual agreement cannot be reached, on not less than 14 months written notice from IAAME.

5) **Severability:** To the extent that the Department determines, within its reasonable discretion, that any provision of this agreement is inconsistent with the Convention, the IAA, the UAA, the regulations implementing the IAA and UAA, or any other provision of law, that provision of the agreement shall be considered null and void and the remainder of the agreement shall continue in full force and effect as if the offending portion had not been a part of it.

6) **Entirety of Agreement:** This agreement is the entire agreement of the Parties and may be modified only upon written agreement of the Parties.

SURFACE TRANSPORTATION BOARD

[Docket No. FD 36143]

Goose Lake Railway, LLC—Change in Operator Exemption—LRY, LLC d.b.a. Lake Railway

Goose Lake Railway, LLC (GLRY), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to assume operations over approximately 54.45 miles of rail line, known as the Lakeview Branch, between milepost 458.60 at Alturas, Cal., and milepost 513.05 at Lakeview, Or. (the Line).¹

GLRY states that the Line is owned by Lake County, Or. (Lake County), and LRY, LLC d.b.a. Lake Railway (LRY) currently operates it pursuant to a lease agreement.² According to GLRY, Lake County acquired the Line from the Southern Pacific Transportation Company (SPTC) after the Board's predecessor, the Interstate Commerce Commission, authorized SPTC to abandon it.³ Lake County was authorized to operate the Line pursuant to a Modified Rail Certificate.⁴ GLRY states that, under the new operating agreement, GLRY will replace LRY as the operator of the Line upon consummation and LRY will have no further common carrier obligation with respect to the Line. GLRY also states that LRY has agreed to terminate its operation over the Line upon consummation of the transaction between GLRY and Lake County and

does not object to the proposed change in operators.

GLRY states that the proposed change in operators does not involve any provision or agreement that would limit future interchange with a third-party connecting carrier. GLRY certifies that its projected annual revenues as a result of this transaction will not result in the creation of a Class II or Class I rail carrier and would not exceed \$5 million.

Under 49 CFR 1150.32(b), a change in operators requires that notice be given to shippers. GLRY certifies that it has provided notice of the proposed change in operators to all known shippers on the Line.

GLRY intends to consummate the proposed transaction on or about September 9, 2017, the effective date of the exemption (30 days after the verified notice was filed).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than September 1, 2017 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 36143, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423–0001. In addition, one copy of each pleading must be served on Robert A. Wimbish, Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 920, Chicago, IL 60606.

According to GLRY, this action is excluded from environmental review under 49 CFR 1105.6(c) and from historic preservation reporting requirements under 49 CFR 1105.8(b)(1).

Board decisions and notices are available on our Web site at WWW.STB.GOV.

Decided: August 22, 2017.
