#### SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–81470; File No. SR–NYSEAMER–2017–05]

**Self-Regulatory Organizations; NYSE American LLC; Notice of Filing of Proposed Rule Change To Amend the Complimentary Products and Services Available to Certain Eligible New Listings Pursuant to Section 146 of the NYSE American Company Guide**

August 23, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b–4 thereunder,<sup>2</sup> notice is hereby given that, on August 11, 2017, NYSE American LLC (the “Exchange” or “NYSE American”) filed with the Securities and Exchange Commission (the “Commission”) the

<sup>2</sup> 15 U.S.C. 78a.

proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange proposes to amend Section 146 of the NYSE American Company Guide (the "Company Guide") to provide that companies initially listed on or after October 1, 2017 will not be eligible to receive corporate governance tools under the Exchange's services offering. The proposed rule change is available on the Exchange's Web site at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

#### *A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change*

##### **1. Purpose**

The Exchange proposes to amend Section 146 of the Company Guide to provide that companies initially listed on or after October 1, 2017 will not be eligible to receive corporate governance tools under the Exchange's services offering.

As set forth in Section 146, the Exchange currently provides Eligible New Listings<sup>4</sup> with complimentary

<sup>4</sup> For the purposes of Section 146, the term "Eligible New Listing" means (i) any U.S. company that lists common stock on the Exchange for the first time and any non-U.S. company that lists an equity security on the Exchange under Section 101 or 110 of the Company Guide for the first time, regardless of whether such U.S. or non-U.S. company conducts an offering, (ii) any U.S. or non-U.S. company that transfers its listing of common stock or equity securities, respectively, to the Exchange from another national securities exchange and (iii) any U.S. or non-U.S. company emerging from a bankruptcy, spinoff (where a company lists

Web-hosting products and services (with a commercial value of approximately \$16,000 annually), web-casting services (with a commercial value of approximately \$6,500 annually), whistleblower hotline services (with a commercial value of approximately \$4,000 annually), and news distribution products and services (with a commercial value of approximately \$20,000 annually) and corporate governance tools (with a commercial value of approximately \$15,000 annually) for a period of 24 calendar months. The Exchange's experience has been that companies that qualify as Eligible New Listings have generally not been interested in availing themselves of the corporate governance tools available as part of the services offering. As such the Exchange has decided to discontinue the corporate governance tool portion of its service offering for companies that list on or after October 1, 2017. Any company that is listed prior to October 1, 2017 will continue to be able to access corporate governance tools to the extent that they are eligible to do so under Section 146 as currently in effect.

##### **2. Statutory Basis**

The Exchange believes that the proposed rule change is consistent with Section 6(b)<sup>5</sup> of the Act, in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>6</sup> in particular in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange believes that the proposed amendment is not unfairly discriminatory, as all companies listed on or after October 1, 2017 will continue to be eligible to avail themselves of the same services offering with the exception of the corporate governance tools offering which will be discontinued. It is not unfairly discriminatory to continue to offer corporate governance tools to companies listed prior to October 1,

new shares in the absence of a public offering), and carve-out (where a company carves out a business line or division, which then conducts a separate initial public offering).

<sup>5</sup> 15 U.S.C. 78f(b).

<sup>6</sup> 15 U.S.C. 78f(b)(5).

2017, as that benefit was part of the services offering that was available at the time of those companies' initial listing and may have had some influence over their listing decisions.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange believes that the proposed amendments to the Company Guide do not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change does not impose any burden on competition, as all companies whose initial listing occurs on or after October 1, 2017 will be eligible for an identical services offering with the exception of the discontinued corporate governance tools.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were solicited or received with respect to the proposed rule change.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Within 45 days of the date of publication of this notice in the **Federal Register** or up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve or disapprove the proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

### Proposed Collection; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

#### Extension:

Form N-54A. SEC File No. 270-182, OMB Control No. 3235-0237

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (the "Investment Company Act"), certain investment companies can elect to be regulated as business development companies, as defined in Section 2(a)(48) of the Investment Company Act (15 U.S.C. 80a-2(a)(48)). Under Section 54(a) of the Investment Company Act (15 U.S.C. 80a-53(a)), any company defined in Section 2(a)(48)(A) and (B) may elect to be subject to the provisions of Sections 55 through 65 of the Investment Company Act (15 U.S.C. 80a-54 to 80a-64) by filing with the Commission a notification of election, if such company has: (1) A class of equity securities registered under Section 12 of the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"); or (2) filed a registration statement pursuant to Section 12 of the Exchange Act for a class of equity securities. The Commission has adopted Form N-54A (17 CFR 274.53) as the form for notification of election to be regulated as business development companies.

The purpose of Form N-54A is to notify the Commission that the investment company making the notification elects to be subject to Sections 55 through 65 of the Investment Company Act, enabling the Commission to administer those provisions of the Investment Company Act to such companies.

The Commission estimates that on average approximately 12 business development companies file these notifications each year. Each of those business development companies need only make a single filing of Form N-54A. The Commission further estimates that this information collection imposes a burden of 0.5 hours, resulting in a total annual PRA burden of 6 hours. Based on the estimated wage rate, the total cost to the business development company industry of the hour burden for complying with Form N-54A would be approximately \$2,070.

The collection of information under Form N-54A is mandatory. The information provided under the form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection

of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549; or send an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).

Dated: August 23, 2017.

Assistant Secretary.
