1 Reliability Standard CIP–014–2 was implemented by the letter Order in Docket RD15–4–000 issued on 7/14/2015. RD15–4–000 was not submitted to OMB because it did not implicate the Paperwork Reduction Act. The revised standard became effective on 10/2/2015 and is now included in the FERC–725U information collection.

2 Burden is defined as the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. For further explanation of what is included in the information collection burden, reference 5 CFR 1320.3.
