SUPPLEMENTARY INFORMATION: Under the PRA, 44 U.S.C. 3501 *et seq.*, Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. “Collection of Information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3 and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the CFTC is publishing notice of the proposed collection of information listed below. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Title: Reparatons Complaint, CFTC Form 30 (OMB Control No. 3038-XXXX). This is a request for a new OMB control number.

Abstract: Pursuant to Section 14 of the Commodity Exchange Act, members of the public may apply to the Commission to seek damages against Commission registrants for alleged violations of the Act and/or Commission regulations. The legislative intent of the Reparatons program was to provide a low-cost, speedy, and effective forum for the resolution of customer complaints and to sanction individuals and firms found to have violated the Act and/or any regulations.

In 1984, the Commission promulgated part 12 of the Commission regulations to administer Section 14. Rule 12.13 provides the standards and procedures for filing a Reparatons complaint. Specifically, paragraph (b) describes the form and content requirements of a complaint. CFTC Form 30 mirrors the requirements set forth in paragraph (b).

The Commission began utilizing Form 30 in or about 1984. The form was created to assist customers, who are typically *pro se* and non-lawyers. It was also designed as a way to provide proper notice to respondents of the charges against them. This form is critical to fulfilling this policy goal. Accordingly, the Commission is requesting an OMB control number to continue the use of Form 30.
