DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID: FEMA-2017-0019; OMB No. 1660-0061]

Agency Information Collection Activities: Submission for OMB Review; Comment Request; Federal Assistance to Individuals and Households Program, (IHP)

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a reinstatement, without change, of a previously approved information collection for which approval has expired. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the need to continue collecting information from individuals and States in order to provide and/or administer disaster assistance through the Federal Assistance to Individuals and Households Programs.

DATES: Comments must be submitted on or before October 5, 2017.

ADDRESSES: Submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the Desk Officer for the Department of Homeland Security, Federal Emergency Management Agency, and sent via electronic mail to dhsdeskofficer@omb.eop.gov.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection should be made to Director, Records Management Division, 500 C Street SW., Washington, DC 20472, email address FEMA-Information-Collections-Management@fema.dhs.gov or Elizabeth McDowell, Program Specialist, 540-686-3630.

SUPPLEMENTARY INFORMATION: The Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121-5207 (the Act) is the legal basis for FEMA to provide disaster related assistance and services to individuals who apply for disaster assistance benefits in the event of a federally

declared disaster. The Individuals and Households Program (IHP) (the Act at 5174, Federal Assistance to Individuals and Households) provides financial assistance to eligible individuals and households who, as a direct result of a major disaster or emergency have necessary expenses and serious needs. The "Other Needs Assistance" (ONA) provision of IHP provides disaster assistance to address needs other than housing, such as personal property, transportation, etc.

The delivery of the ONA provision of IHP is contingent upon the State/Tribe choosing an administrator for the assistance. States/Tribes satisfy the selection of an administrator of ONA by completing the Administrative Option Agreement (FEMA Form 010-0-11), which establishes a plan for the delivery of ONA. This agreement establishes a partnership with FEMA and inscribes the plan for the delivery of disaster assistance. The agreement is used to identify the State/Tribe's proposed level of support and participation during disaster recovery.

This proposed information collection previously published in the **Federal Register** on May 30, 2017 at 82 FR 24731 with a 60 day public comment period. No comments were received. This information collection expired on July 31, 2017. FEMA is requesting a reinstatement, without change, of a previously approved information collection for which approval has expired. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.
