

declared disaster. The Individuals and Households Program (IHP) (the Act at 5174, Federal Assistance to Individuals and Households) provides financial assistance to eligible individuals and households who, as a direct result of a major disaster or emergency have necessary expenses and serious needs. The "Other Needs Assistance" (ONA) provision of IHP provides disaster assistance to address needs other than housing, such as personal property, transportation, etc.

The delivery of the ONA provision of IHP is contingent upon the State/Tribe choosing an administrator for the assistance. States/Tribes satisfy the selection of an administrator of ONA by completing the Administrative Option Agreement (FEMA Form 010-0-11), which establishes a plan for the delivery of ONA. This agreement establishes a partnership with FEMA and inscribes the plan for the delivery of disaster assistance. The agreement is used to identify the State/Tribe's proposed level of support and participation during disaster recovery.
