These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties and/or countervailing duties has occurred, and the subsequent assessment of double antidumping duties and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213 and 351.221(b)(4).

Dated: August 31, 2017.

For entries of subject merchandise during the POR produced by the Toscelik Single Entity for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

SUPPLEMENTARY INFORMATION:

Background

On August 10, 2015, the Department issued a countervailing duty (CVD)

order on passenger tires from the PRC.¹ Several interested parties requested that the Department conduct an administrative review of the countervailing duty order, and on October 14, 2016, the Department published in the **Federal Register** a notice of initiation of an administrative review of the CVD Order for 61 producers/exporters for the POR.²
