BILLING CODE 9111–23–P

DEPARTMENT OF HOMELAND SECURITY

Office of the Secretary

Determination Pursuant to Section 102 of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, as Amended

AGENCY: Office of the Secretary, Department of Homeland Security.

ACTION: Notice of determination.

SUMMARY: The Secretary of Homeland Security has determined, pursuant to law, that it is necessary to waive certain laws, regulations and other legal requirements in order to ensure the expeditious construction of barriers and roads in the vicinity of the international land border of the United States near the city of Calexico in the state of California.

DATES: This determination takes effect on September 12, 2017.

SUPPLEMENTARY INFORMATION: The principal mission requirements of the Department of Homeland Security (“DHS”) include border security and the detection and prevention of illegal entry into the United States. Border security is critical to the nation’s national security. Recognizing the critical importance of border security, Congress has ordered DHS to achieve and maintain operational control of the international land border. Secure Fence Act of 2006, Public Law 109–367, 2, 120 Stat. 2638 (Oct. 26, 2006) (8 U.S.C. 1701 note). Congress defined “operational control” as the prevention of all unlawful entries into the United States, including entries by terrorists, other unlawful aliens, instruments of terrorism, narcotics, and other contraband. Secure Fence Act of 2006, Public Law 109–367, 2, 120 Stat. 2638 (Oct. 26, 2006) (8 U.S.C. 1701 note). Consistent with that mandate from Congress, the President’s Executive Order on Border Security and Immigration Enforcement Improvements directed executive departments and agencies to deploy all lawful means to secure the southern border. Executive Order 13767, § 1. To achieve this end, the President directed, among other things, that I take immediate steps to prevent all unlawful entries into the United States, to include the immediate construction of physical infrastructure to prevent illegal entry. Executive Order 13767, § 4(a).

Congress has provided the Secretary of Homeland Security with a number of authorities necessary to carry out DHS’s border security mission. One of these authorities is found at section 102 of the

Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (“IIRIRA”). Public Law 104–208, Div. C, 110 Stat. 3009–546, 3009–554 (Sept. 30, 1996) (8 U.S.C. 1103 note), as amended by the REAL ID Act of 2005, Public Law 109–13, Div. B, 119 Stat. 231, 302, 306 (May 11, 2005) (8 U.S.C. 1103 note), as amended by the Secure Fence Act of 2006, Public Law 109–367, 3, 120 Stat. 2638 (Oct. 26, 2006) (8 U.S.C. 1103 note), as amended by the Department of Homeland Security Appropriations Act, 2008, Public Law 110–161, Div. E, Title V, § 564, 121 Stat. 2090 (Dec. 26, 2007). In section 102(a) of IIRIRA, Congress provided that the Secretary of Homeland Security shall take such actions as may be necessary to install additional physical barriers and roads (including the removal of obstacles to detection of illegal entrants) in the vicinity of the United States border to deter illegal crossings in areas of high illegal entry into the United States. In section 102(b) of IIRIRA, Congress has called for the installation of additional fencing, barriers, roads, lighting, cameras, and sensors on the southwest border. Finally, in section 102(c) of IIRIRA, Congress granted to the Secretary of Homeland Security the authority to waive all legal requirements that I, in my sole discretion, determine necessary to ensure the expeditious construction of barriers and roads authorized by section 102 of IIRIRA.

Determination and Waiver

Section 1

The United States Border Patrol’s El Centro Sector is an area of high illegal entry. In fiscal year 2016 alone, the United States Border Patrol (“Border Patrol”) apprehended over 19,000 illegal aliens and seized approximately 2,900 pounds of marijuana and approximately 126 pounds of cocaine. Since the creation of DHS, and through the construction of border infrastructure and other operational improvements, the Border Patrol has been able to make significant gains in border security within the El Centro Sector; however, more work needs to be done. The El Centro Sector remains an area of high illegal entry for which there is an immediate need to construct border barriers and roads.

To begin to meet the need for enhanced border infrastructure in the El Centro Sector, DHS will take immediate action to replace existing primary fencing. Fence replacement in the El Centro Sector is among DHS’s highest priority border security requirements. The fence replacement will take place along an approximately three mile

segment of the border that starts at the Calexico West Land Port of Entry and extends westward. This approximately three mile segment of the border is referred to herein as the “Project Area” and is more specifically described in Section 2 below.

The replacement of primary fencing within the Project Area will further Border Patrol’s ability to deter and prevent illegal crossings. The existing primary fencing was installed in the 1990s, using a design that is no longer optimal for Border Patrol operations. The existing fourteen foot, landing mat-style fencing will be replaced with an eighteen to twenty-five foot barrier that employs a more operationally effective design that is intended to meet Border Patrol’s operational requirements. In addition, DHS will, where necessary, make improvements to an existing patrol road within the Project Area to ensure that it meets Border Patrol’s operational standards. Replacing the existing primary fence with a new, more operationally effective design and improving the existing patrol road will improve Border Patrol’s operational efficiency and, in turn, further deter and prevent illegal crossings.

Section 2

I determine that the following area in the vicinity of the United States border, located in the State of California within the United States Border Patrol’s El Centro Sector is an area of high illegal entry (the “Project Area”): Starting at the Calexico West Land Port of Entry and extending approximately three miles westward.

There is presently a need to construct physical barriers and roads in the vicinity of the border of the United States to deter illegal crossings in the Project Area. In order to ensure the expeditious construction of the barriers and roads in the Project Area, I have determined that it is necessary that I exercise the authority that is vested in me by section 102(c) of the IIRIRA as amended.

Accordingly, pursuant to section 102(c) of IIRIRA, I hereby waive in their entirety, with respect to the construction of roads and physical barriers (including, but not limited to, accessing the Project Area, creating and using staging areas, the conduct of earthwork, excavation, fill, and site preparation, and installation and upkeep of physical barriers, roads, supporting elements, drainage, erosion controls, and safety features) in the Project Area, the following statutes, including all federal, state, or other laws, regulations and legal requirements of, deriving from, or related to the

subject of, the following statutes, as amended: The National Environmental Policy Act (Pub. L. 91–190, 83 Stat. 852 (Jan. 1, 1970) (42 U.S.C. 4321 *et seq.*)), the Endangered Species Act (Pub. L. 93–205, 87 Stat. 884 (Dec. 28, 1973) (16 U.S.C. 1531 *et seq.*)), the Federal Water Pollution Control Act (commonly referred to as the Clean Water Act (33 U.S.C. 1251 *et seq.*)), the National Historic Preservation Act (Pub. L. 89–665, 80 Stat. 915 (Oct. 15, 1966), as amended, repealed, or replaced by Public Law 113–287 (Dec. 19, 2014) (formerly codified at 16 U.S.C. 470 *et seq.*, now codified at 54 U.S.C. 100101 note and 54 U.S.C. 300101 *et seq.*)), the Migratory Bird Treaty Act (16 U.S.C. 703 *et seq.*), the Migratory Bird Conservation Act (16 U.S.C. 715 *et seq.*), the Clean Air Act (42 U.S.C. 7401 *et seq.*), the Archeological Resources Protection Act (Pub. Religious Freedom Restoration Act (42 U.S.C. 2000bb).

I reserve the authority to make further waivers from time to time as I may determine to be necessary under section 102 of the IIRIRA, as amended.
